TROIANI

DAVID CHAMBERS

DAVE,

It's been pretty cool this baseball season. even though we didn't do that good and pretty fun in 3rd with you, sandy and the gang. to bad you didn't go out for colt it would of been a good season for you. but your so stupid for not going out. you would of been an all-star but in my book your still an All-star

see ya later

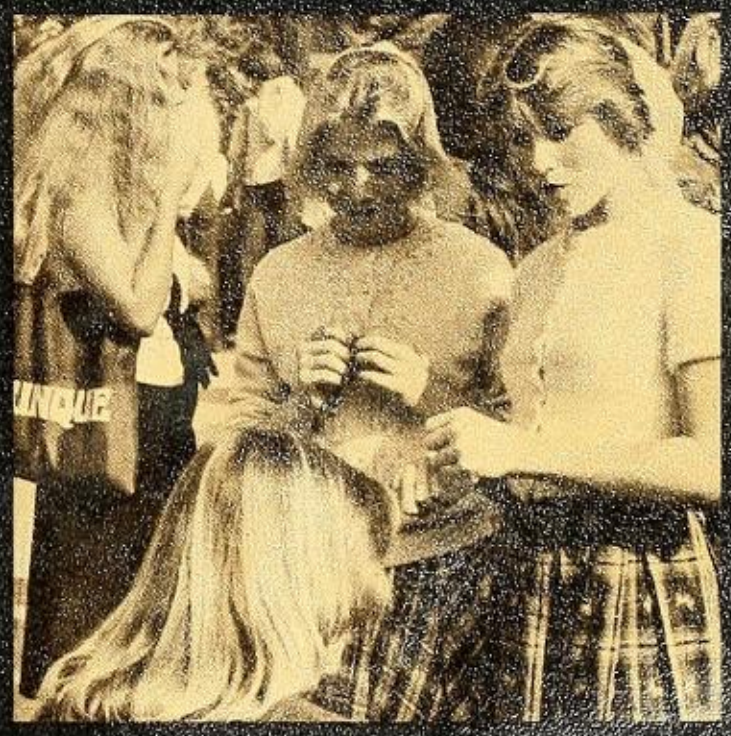
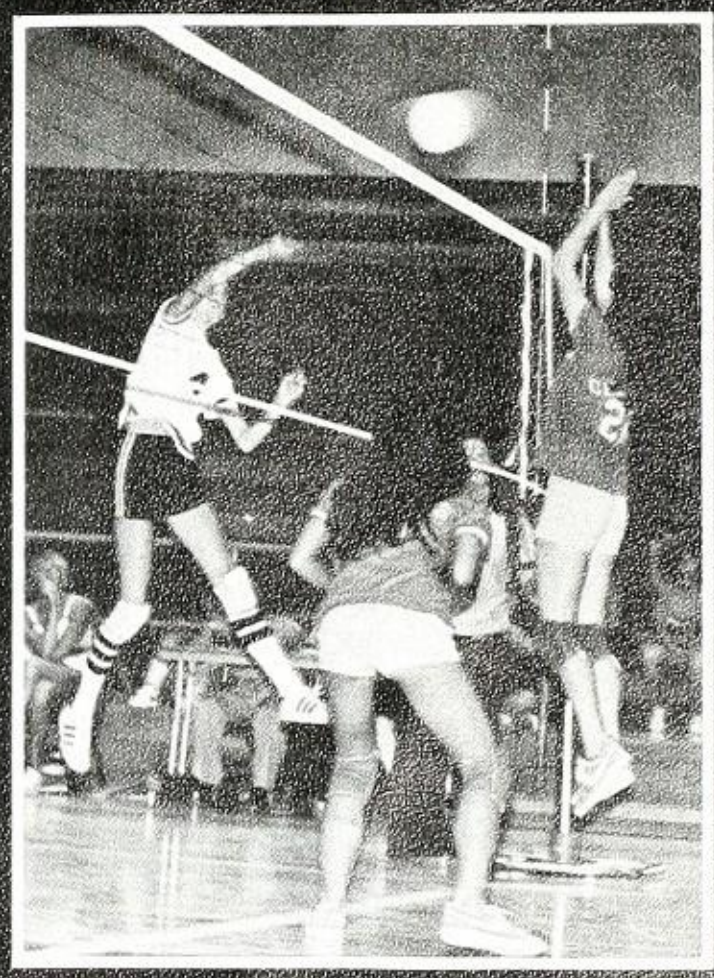
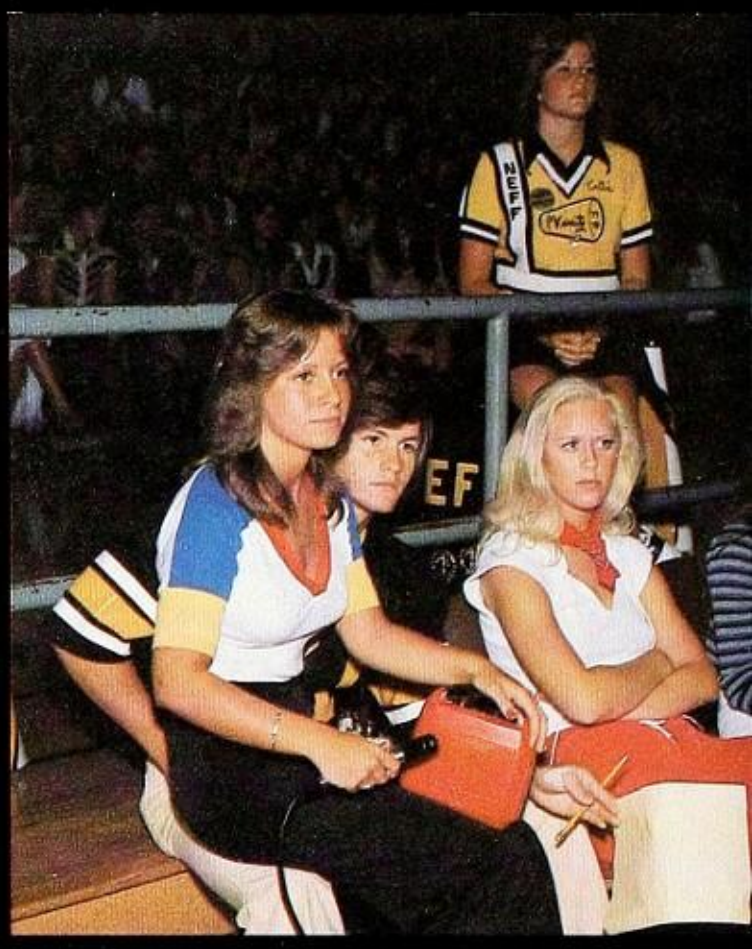
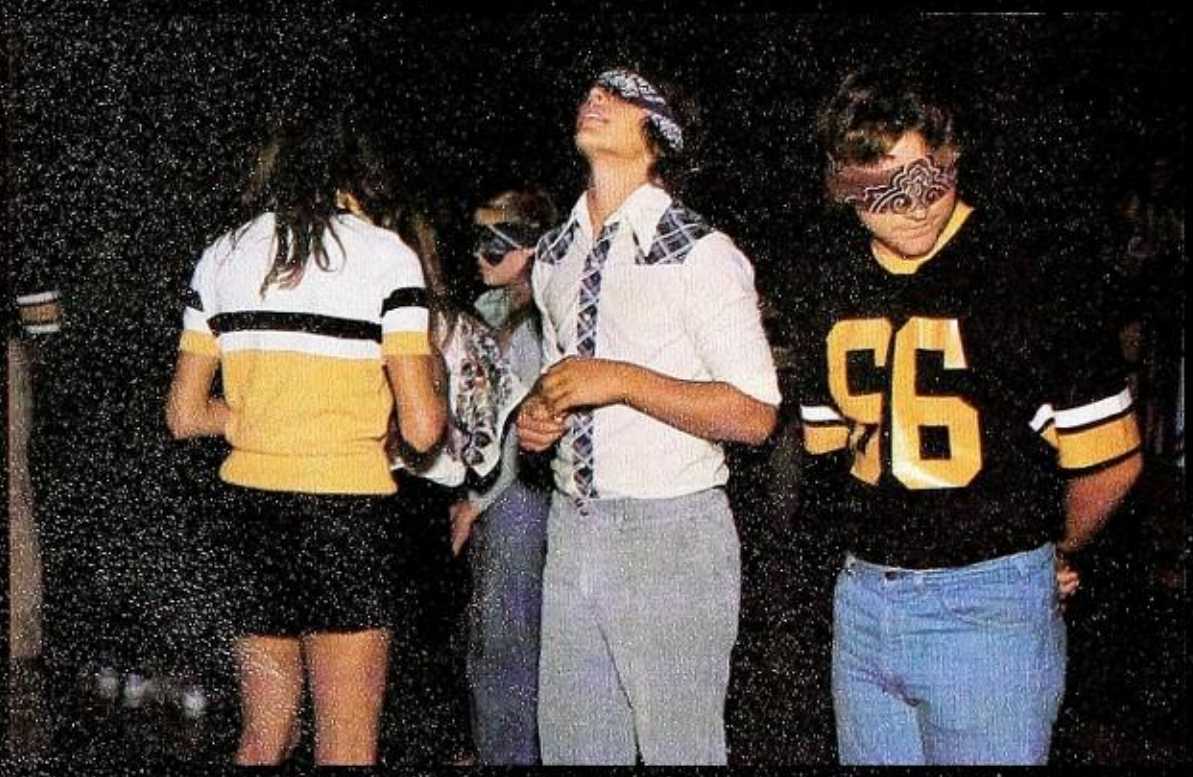
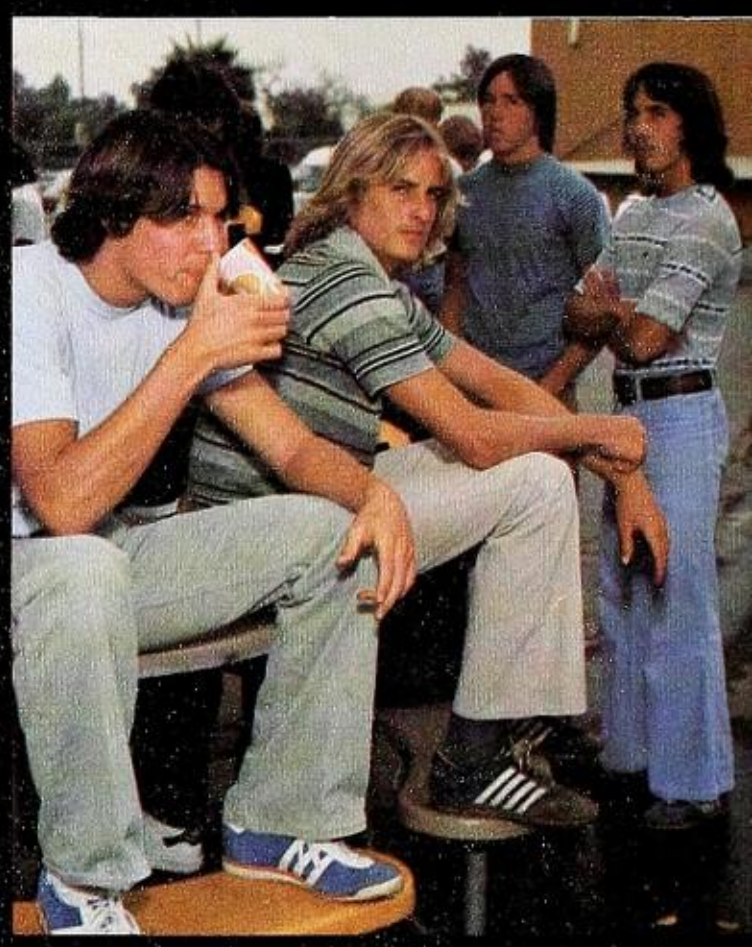
Remember all the dances
The games and parties too
These times are gone but not forgotten
Our high school days are through



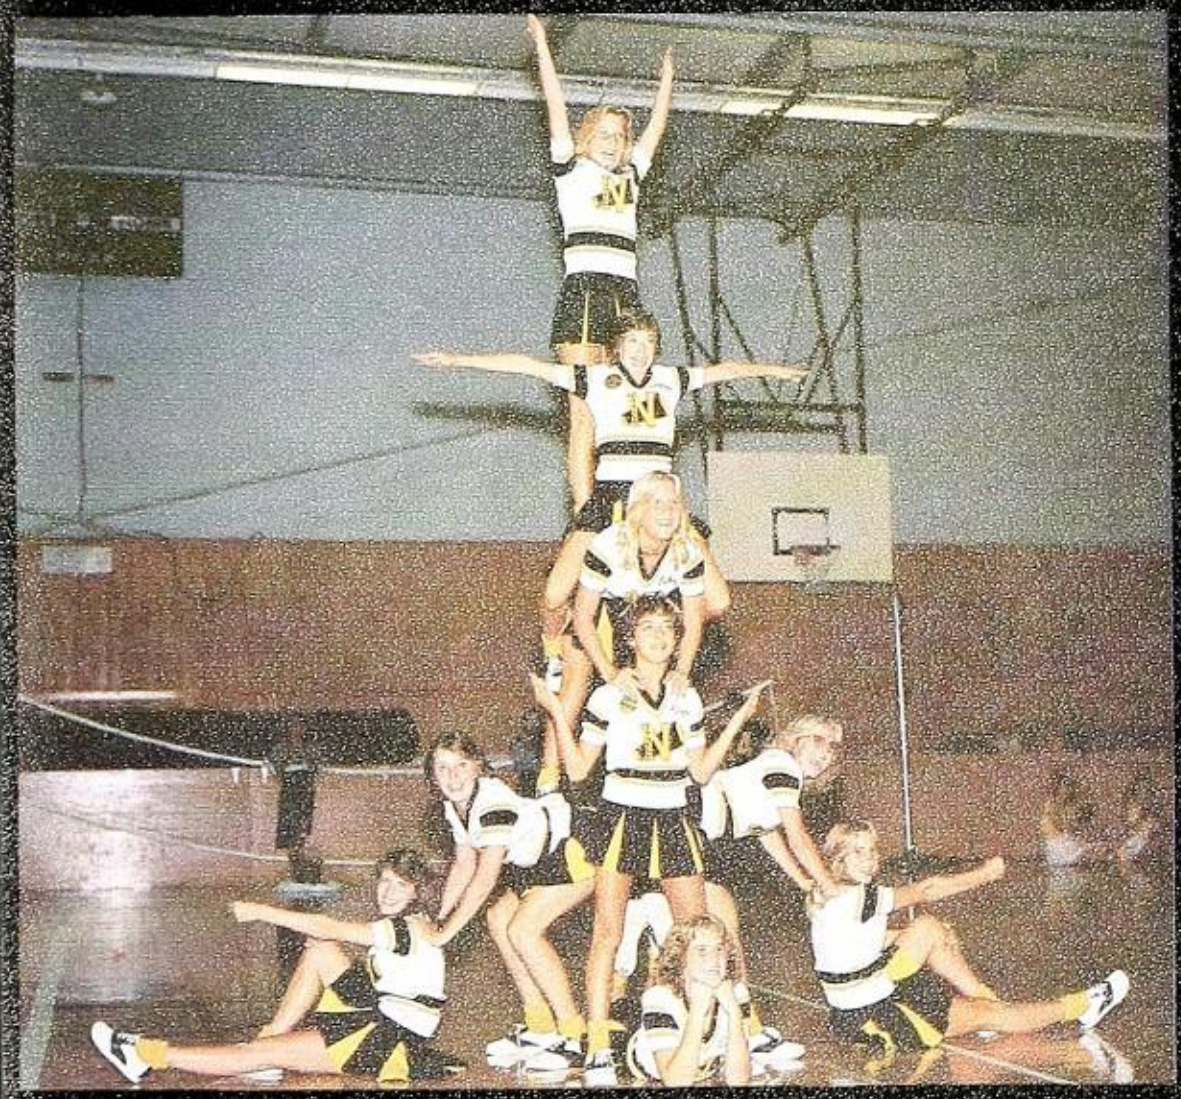


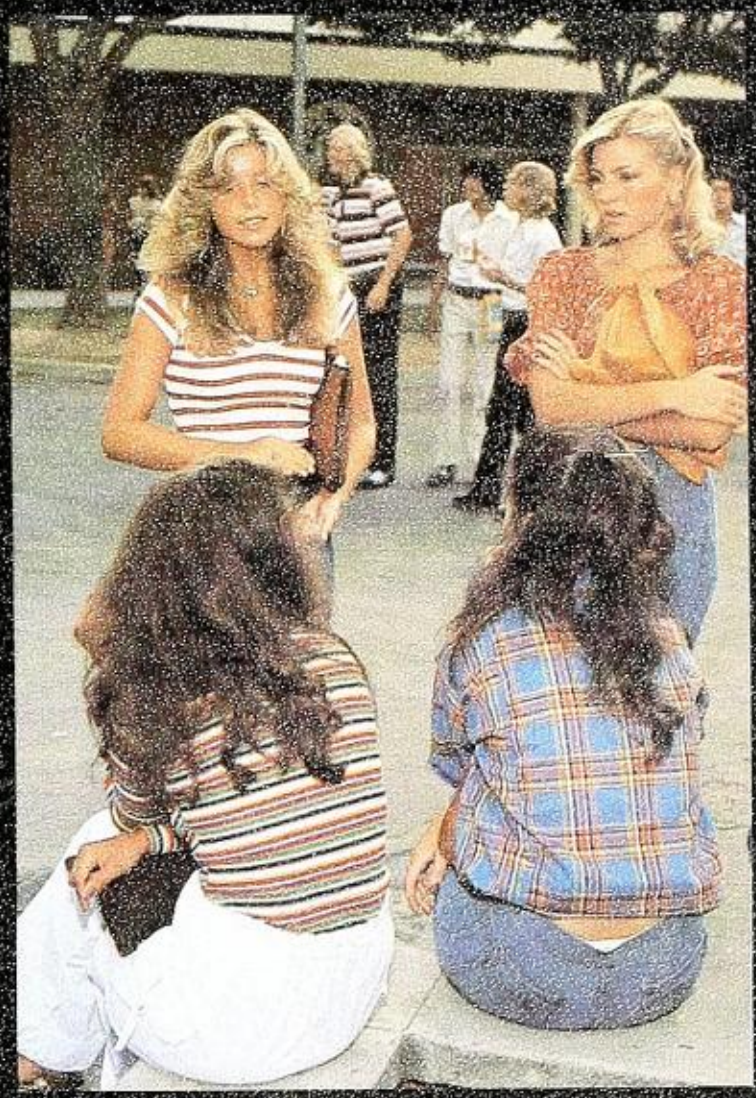


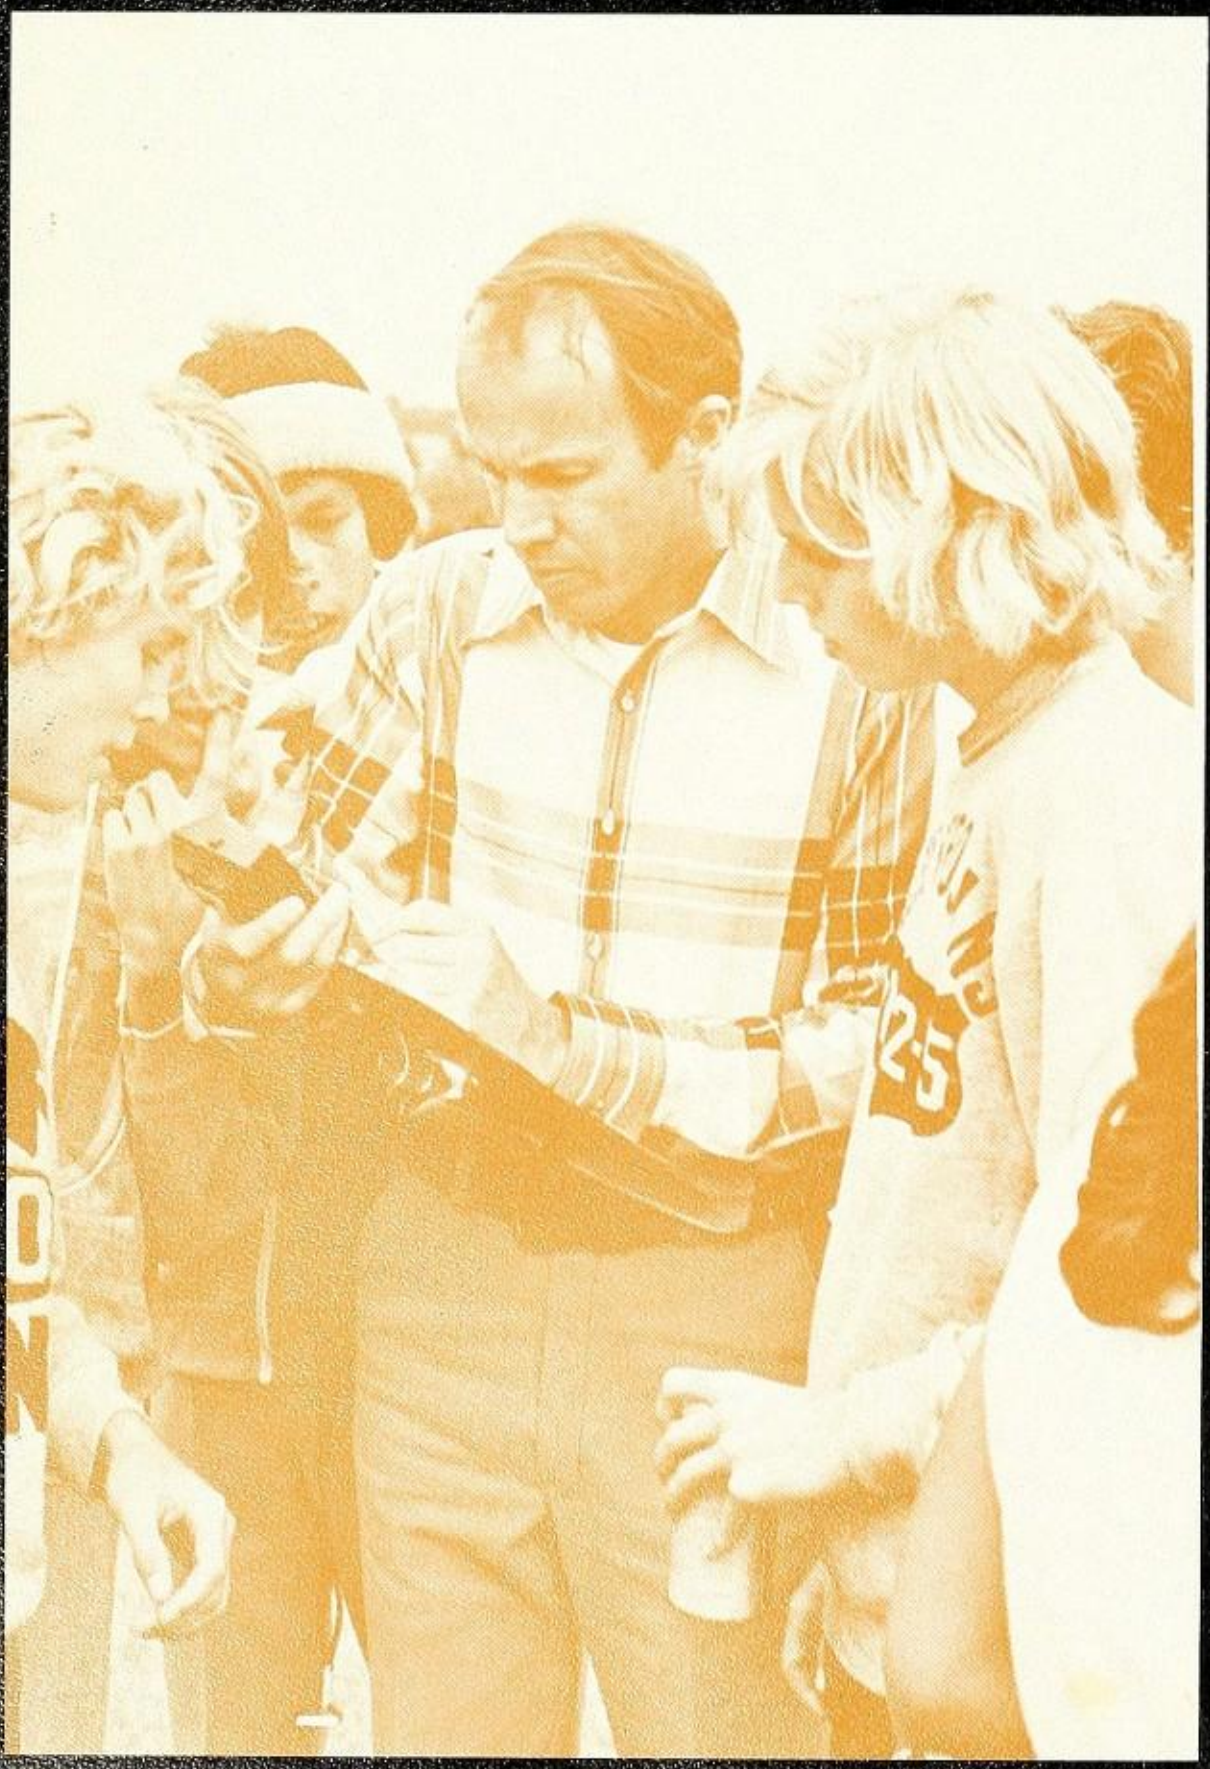


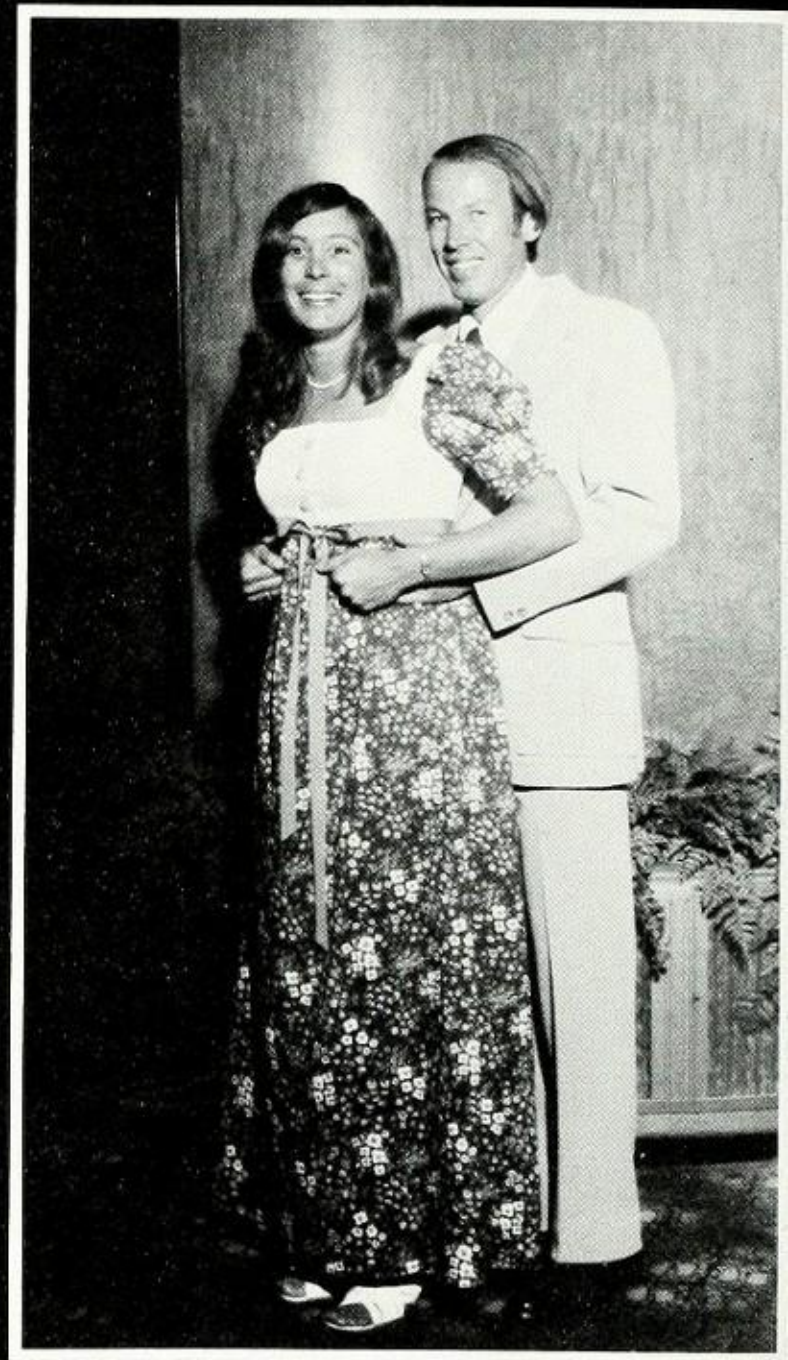


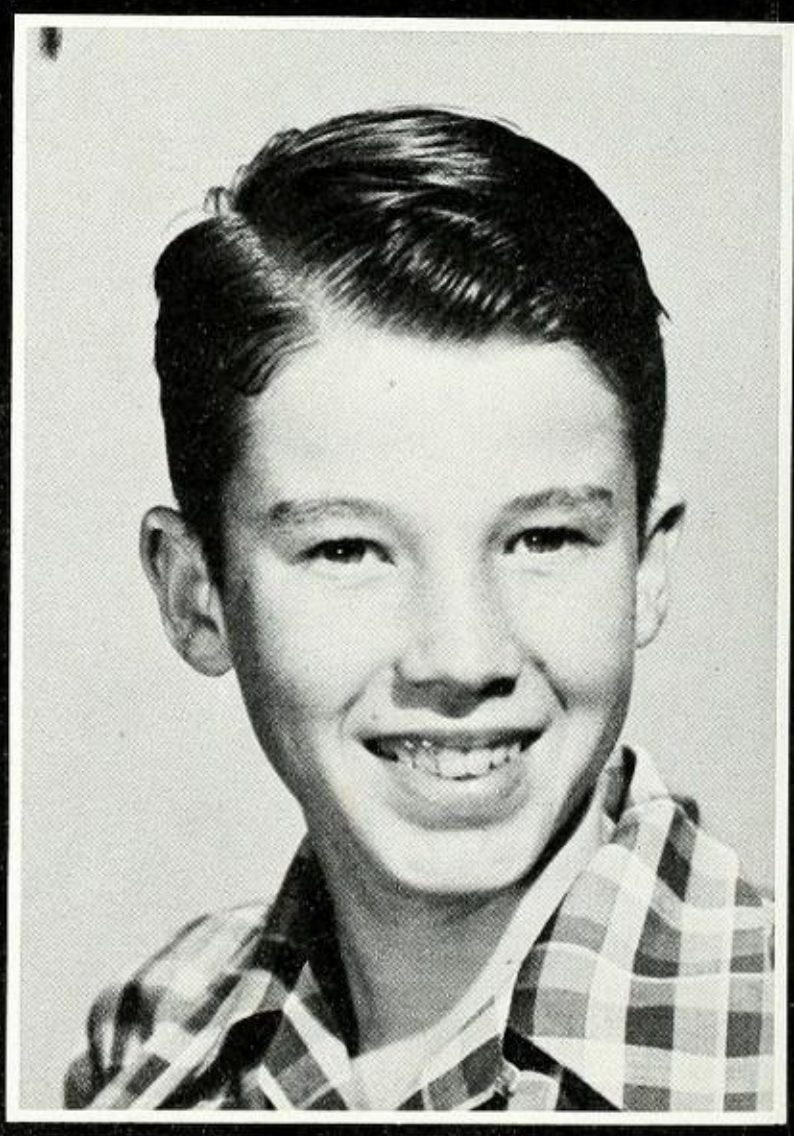
Good times gone but not forgotten
In rallies, being with our friends
Looking back on days and moments
We wished would never end









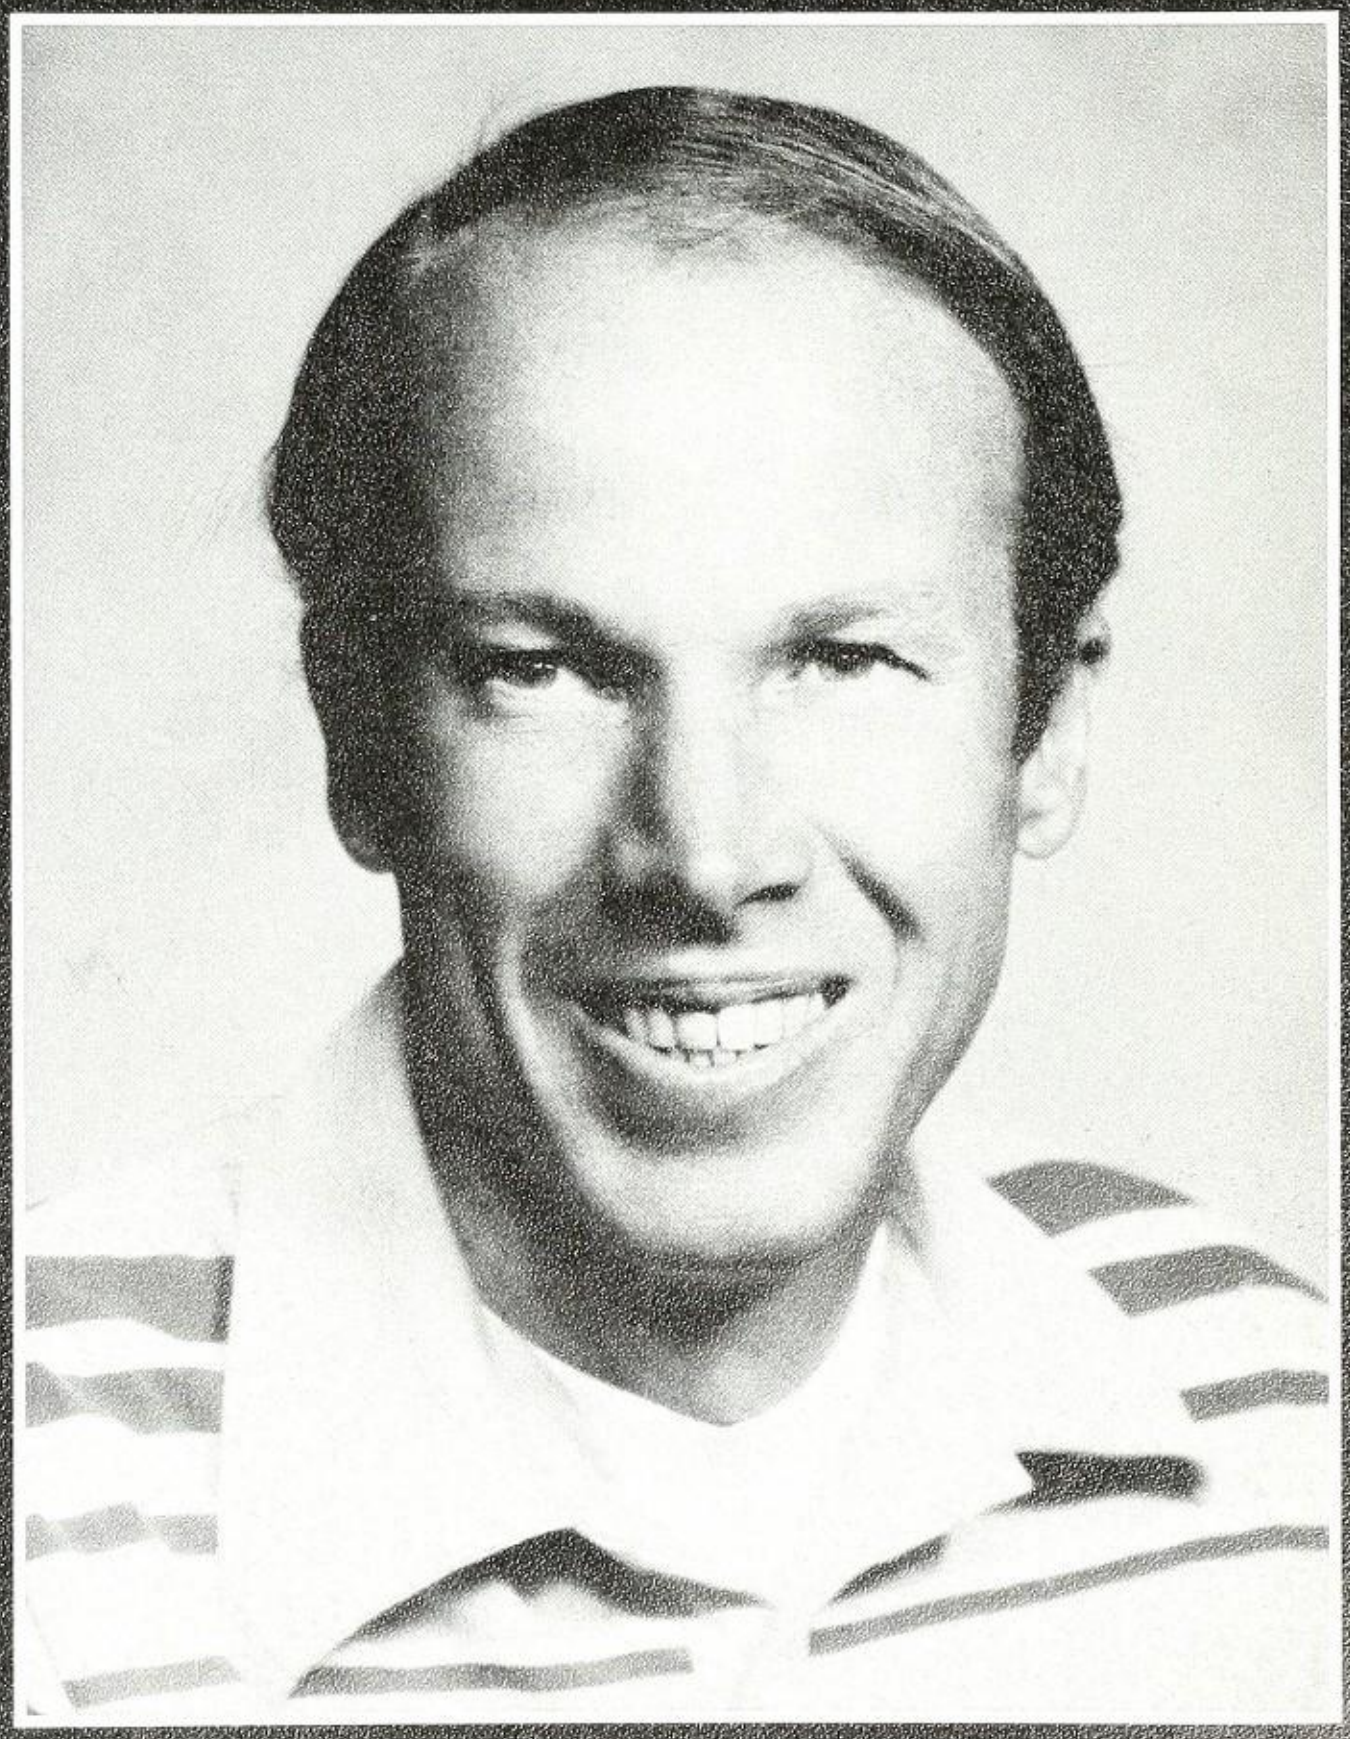


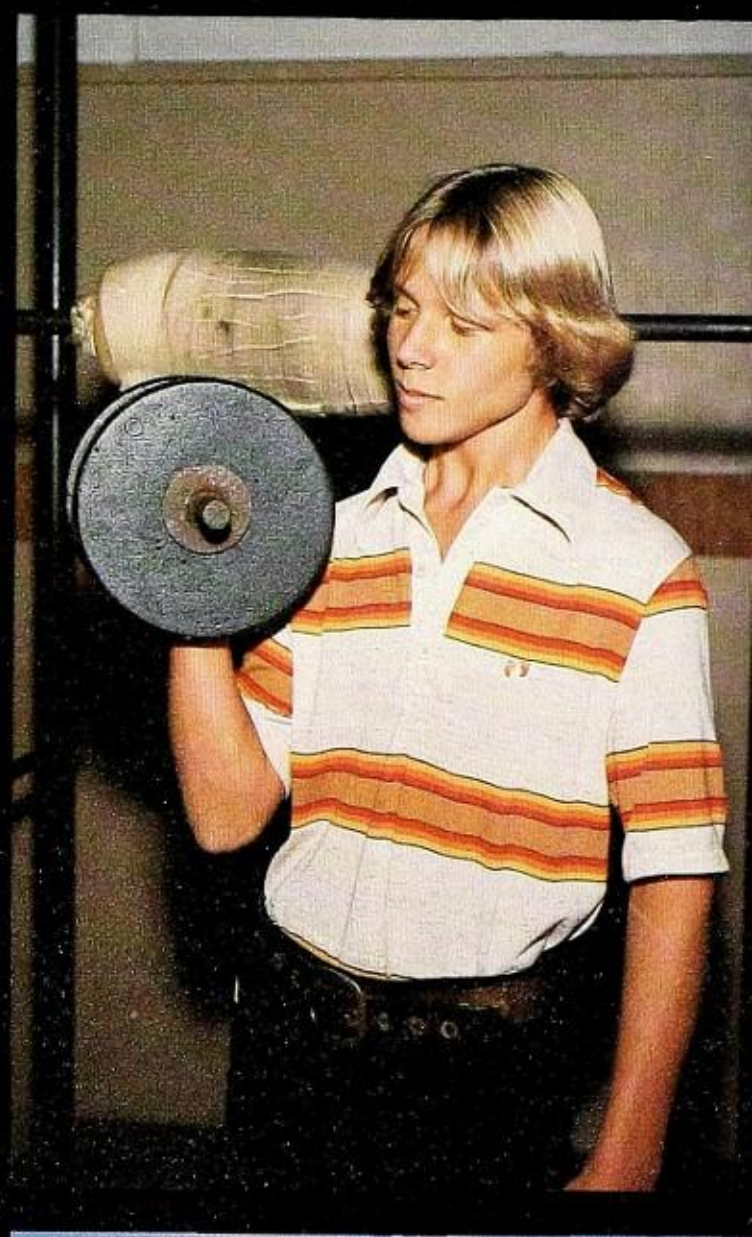
Dedication - Mr. Bob McGuire

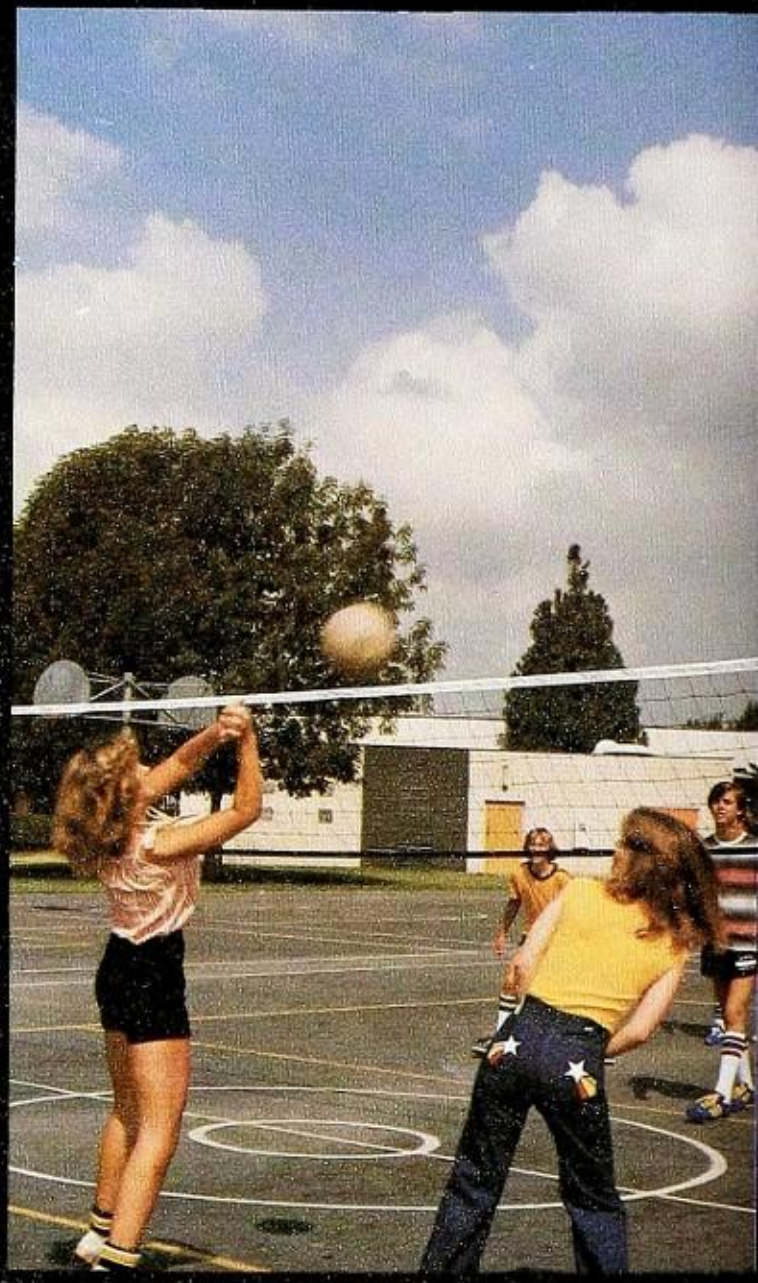
The 1977-78 Troiani annual staff takes great pride in dedicating this annual to a person who has not only taken a lot of school responsibilities, but also is well-liked by all students here at Neff. This person is none other than Bob McGuire.

Mr. McGuire was born in Seattle on October 24, 1937. He then moved to San Francisco and then to Whittier where he began his education, graduating from Whittier High School and going on to Mt. San Antonio College. He was very active in track and cross country during his high school and college years, and seems to still be going strong in this area of sports, as he coaches the cross country and track teams here at Neff. He was also active in scouting and worked on the annual and newspaper staff during college.

After two years at Mt. San Antonio, Stanford noticed his exceptional athletic ability, and offered him an athletic scholarship. So off to Stanford he went, and then to Cal State Fullerton to get his teaching credential. He was married in 1965 to Kathy Bennett and taught at another high school before coming here to Neff. Some of his other hobbies include: Backpacking, camping, fishing, racketball, and Indian Art. He can also be found here at Neff teaching American Government and running the senate meetings. The 1978 annual staff takes great pride in dedicating this book to a very worthy person, Bob McGuire.







Sometimes you win, sometimes you lose
We take the chance and play the game
To live each moment out for long
These times will never be the same

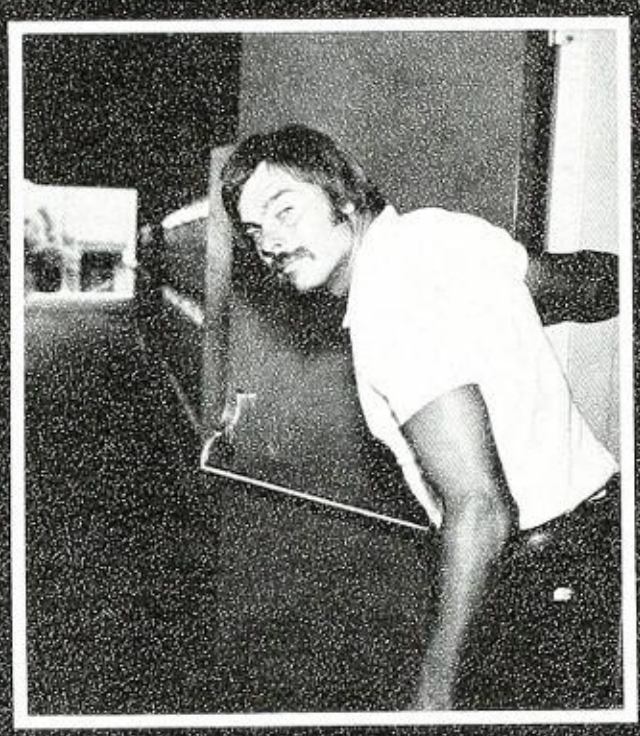
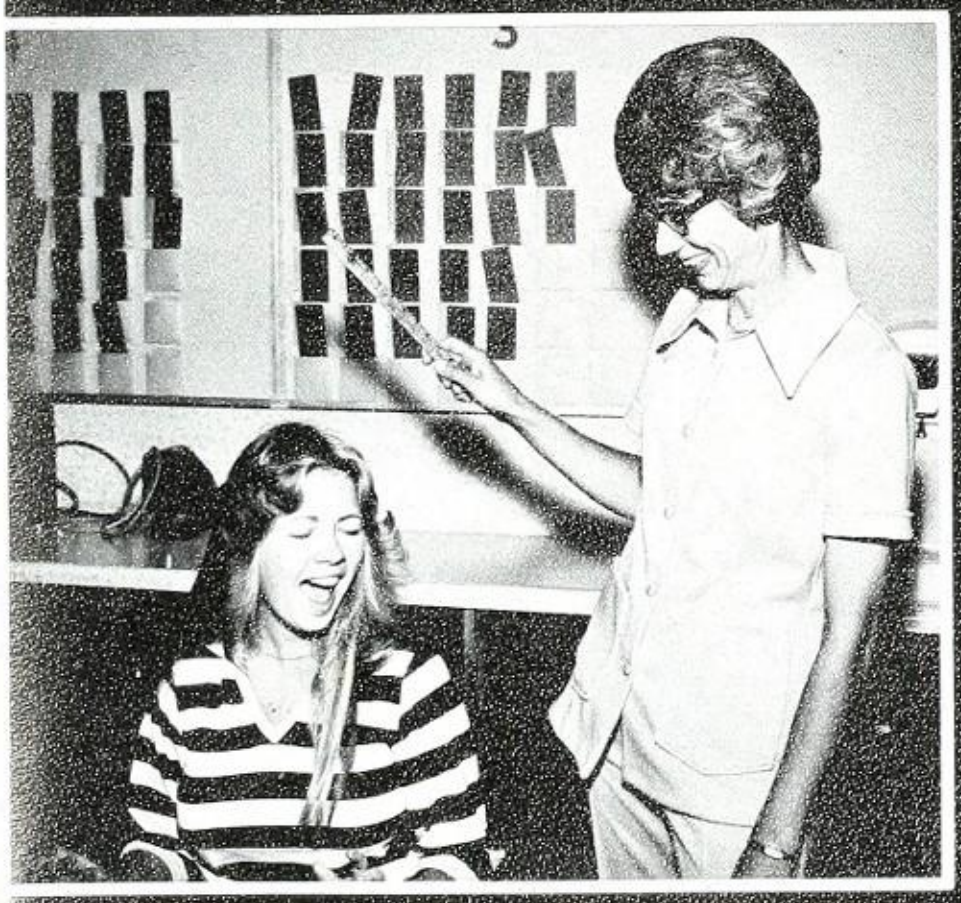
ADMINISTRATION

Good times gone but not forgotten
Our teachers showed they care
We're almost there, we finally made it
These memories we now can share



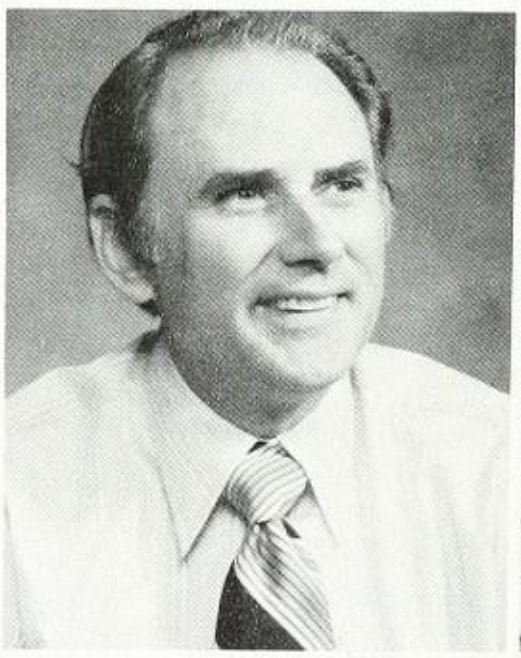


Principal/Assistant Principals

A great deal of effort, patience, enthusiasm, and **pride** goes into being Principal, and Neff's Principal, Mr. Les Billinger, is certainly no exception.

After receiving his Master's at U.S.C., he coached Varsity Football at Excelsior High, counseled and taught for 15 years, and served as Principal for Norwalk High for three years. He has now completed his third year at Neff.

Our Assistant Principals, Mr. Stan Thomas and Mrs. Virginia Morgan work together around the clock to solve problems for individuals and the entire school. We certainly appreciate all the time, effort, support, and encouragement they give us all.



Secretaries

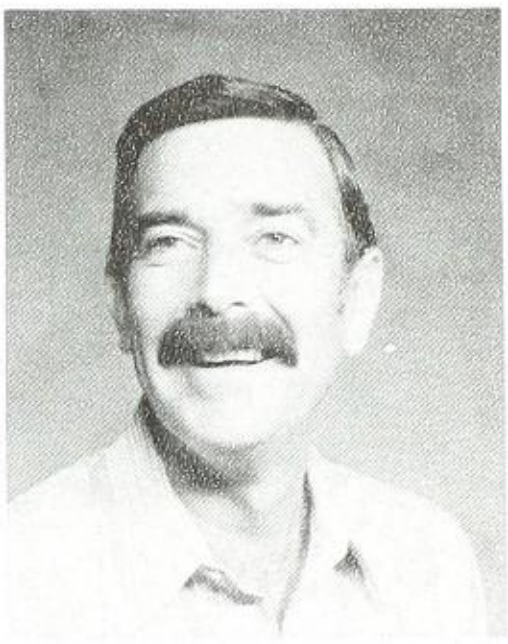
Mrs. Joan Sanchez, Principal's Secretary.
Mrs. Kay Solem, Assistant Principal's Secretary.
Mrs. Ce Sansonetti, Assistant Principal's Secretary.

Counselors

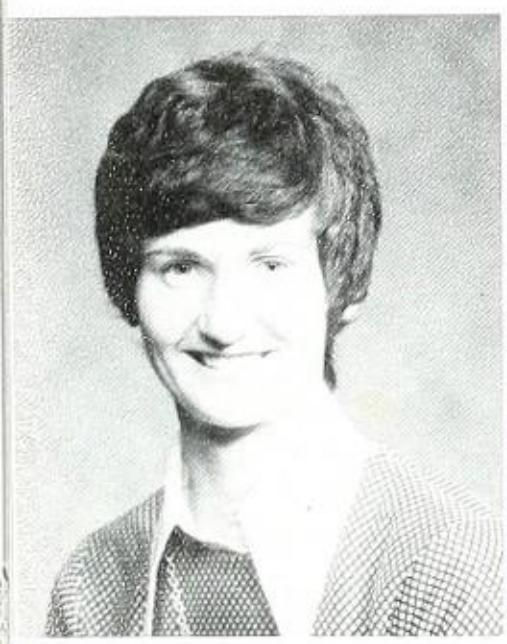
With this dedicated group of people working with us and for us how can we lose? These five counselors help us through **disasters,** help solve our problems, and give us the boost we need to keep us going. We thank them for their understanding and concern for our happiness.

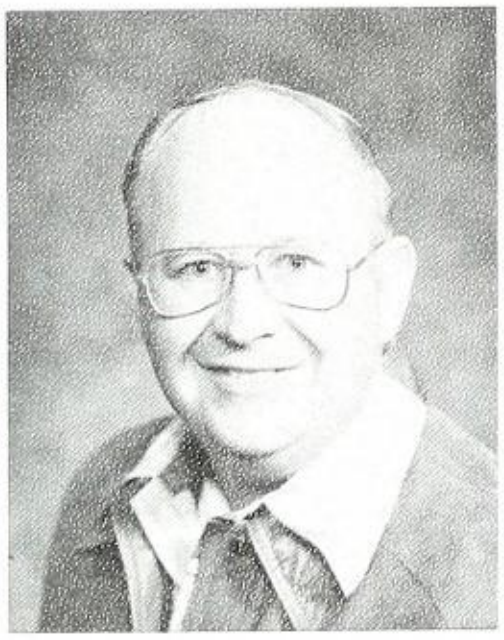
1. Mr. Billinger takes off from his busy schedule to enjoy conversation and good food during a break.
2. Mr. Herd and Mr. Lee discuss the upcoming year at the annual teachers' luncheon.
3. Mrs. Welborn reaches for *one more* piece of cake!

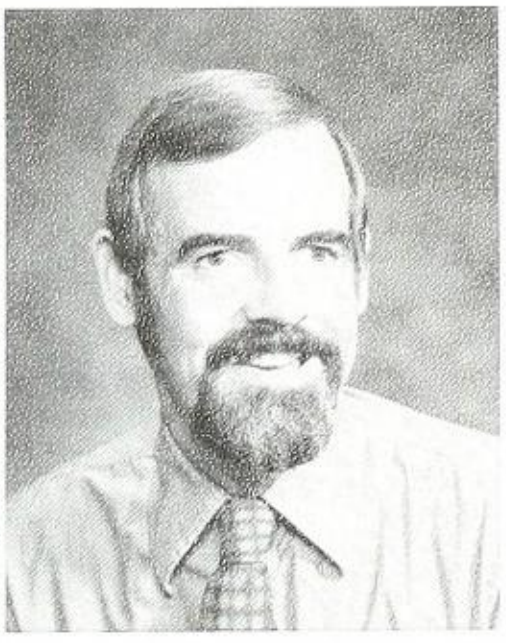
Mrs. Julie Miller, Senior Counselor.



Mr. James Herd, Junior Counselor.





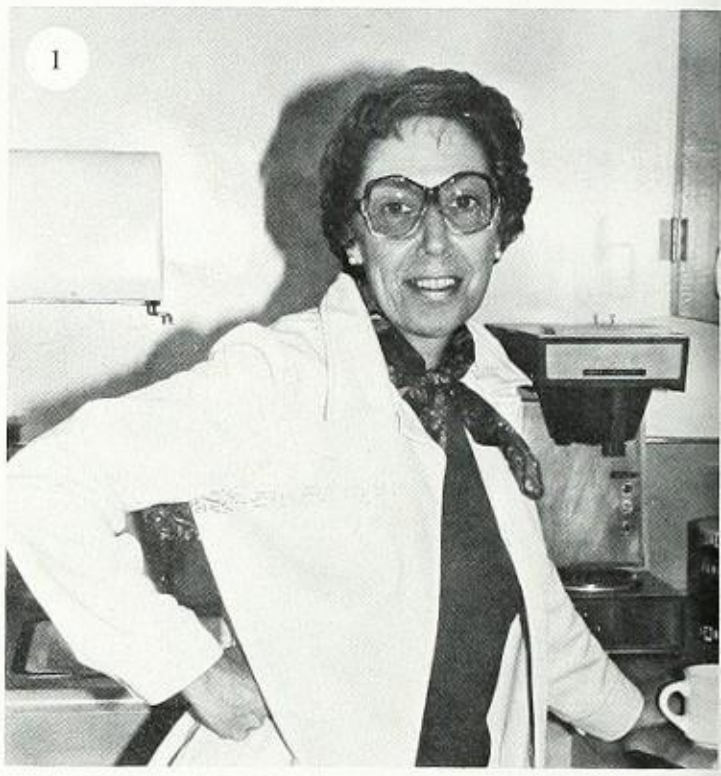


Mrs. Nancy Welborn, Sophomore Counselor.
Mr. Ed Fitzpatrick, Freshman Counselor.
Mr. Dick LeGrue, Freshman Counselor.

Mrs. Gladys Base, Attendance Secretary.
Mrs. Joy Davis, Finance Clerk.
Mrs. Sharlene Gillis, Work Experience Secretary.
Mrs. Louise Haggins, Braille Transcriber.

Mrs. Vivian Ivie, Teacher's Aide Library.
Mrs. Pat Kruse, ROP Secretary.

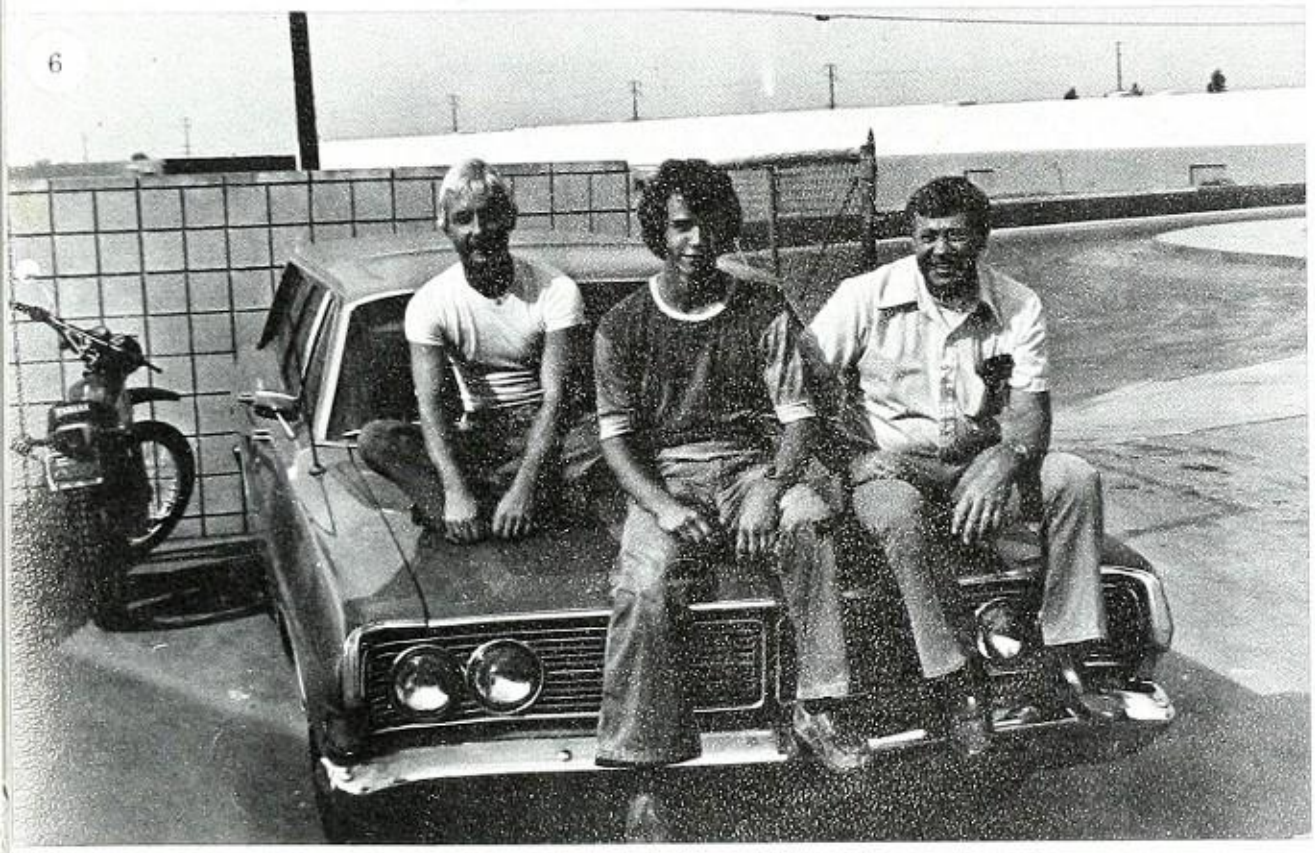
Mrs. Mildred Miller, Counselors' Secretary.
Mrs. Ann Powell, Data Clerk.



Mrs. Millie Rhodes, Library Clerk.
Mrs. Mary Specht, Attendance Secretary.
Mrs. Juanita Wagner, Counselors' Secretary.
Mrs. Jean Wright, Teacher's Aide, Reading Lab.

Secretaries

Our secretaries and clerks not only work behind the scenes organizing the offices, keeping the attendance records straight, and managing the money, but they also work directly with students, counselors, and teachers. Their warm personalities and **sunny** smiles, along with a lot of patience, make everyone's day a little easier.



Staff

A group of ladies and gentlemen we always seem to take for granted but without whom we could *never* manage are our staff workers. Ruth Randolph and Colin Anderson are our security officers. They do their best to protect us and keep us out of **trouble.** Our wonderful cafeteria workers, Marie Ridge, Mae Pierce, Pat Alexander, Pat Rehm, Sara Tafoya, and Mary Martin, slave and cook for us, not to mention cleaning up after the daily tornado that hits the cafeteria! Last, but certainly not least, are our custodians, George Dunn, Roger Eye, and Bill Harmon. They work hard and long cleaning up our messes and fixing all of those "little things" that always seem to break.

1. Joy Davis gives us her best pose.
2. Mrs. Sansonetti and Mrs. Base swap jokes over coffee.
3. Ruth Randolph and Colin Anderson.
4. Faculty and staff members enjoyed the traditional back to school luncheon put on by the Neff P.T.S.A.
5. Marie Ridge, Mae Pierce, Pat Alexander, Pat Rehm, Sara Tafoya, and Mary Martin.
6. George Dunn, Roger Eye, and Bill Harmon.

Faculty

It's not always easy being a teacher. It takes a lot of skill to teach a class of 45 efficiently, a lot of preparation to teach that class thoroughly, a lot of patience to actually help students understand and gain knowledge, and a lot of enthusiasm to make the subject fun and keep the students interested. We're grateful to know that at Neff, we certainly have teachers who fill the bill.

How about all the **excuses** they had to put up with: "It wasn't my fault that I'm ten minutes late, there was a train! But my book's in Joe's locker and he's absent today! But today's Monday—you can't give us a test on Monday!" Oh yes, it's not always easy being a teacher. But when students begin to understand assignments, use skills and thank you for all the help you've given them, teaching can be very rewarding.

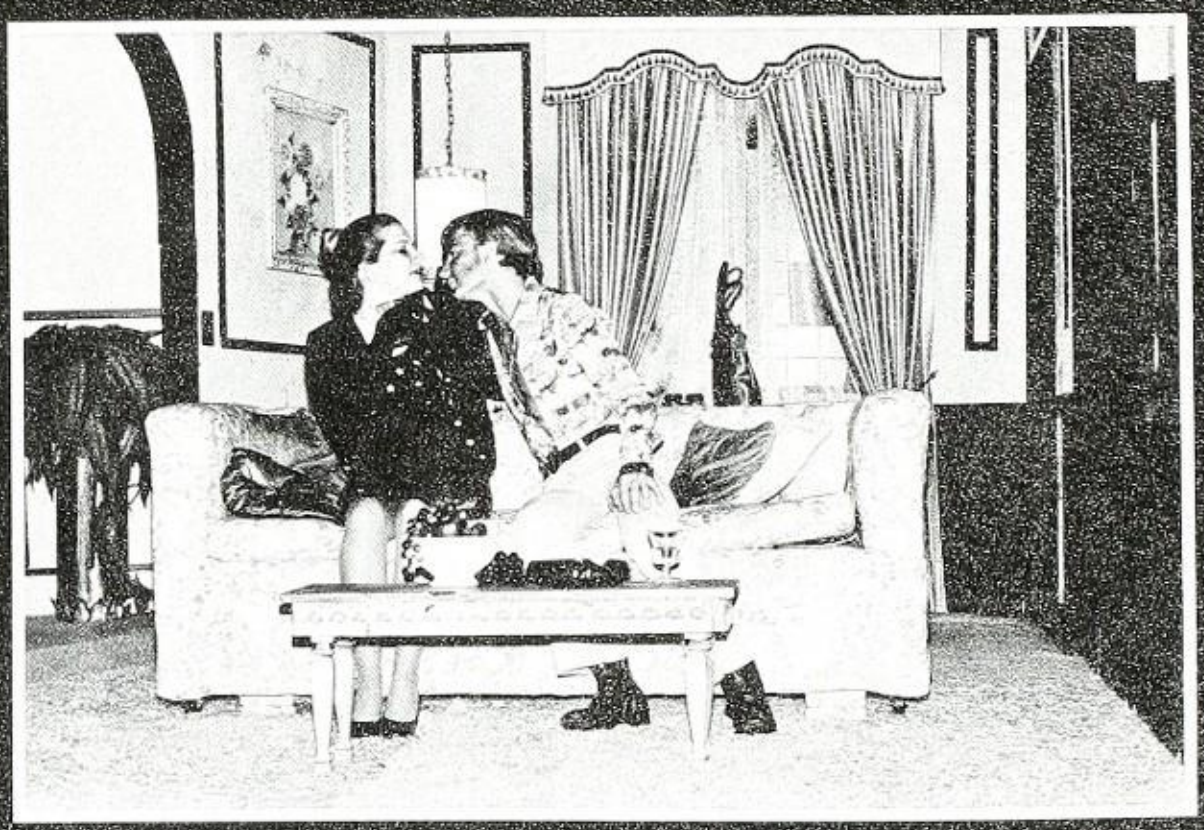
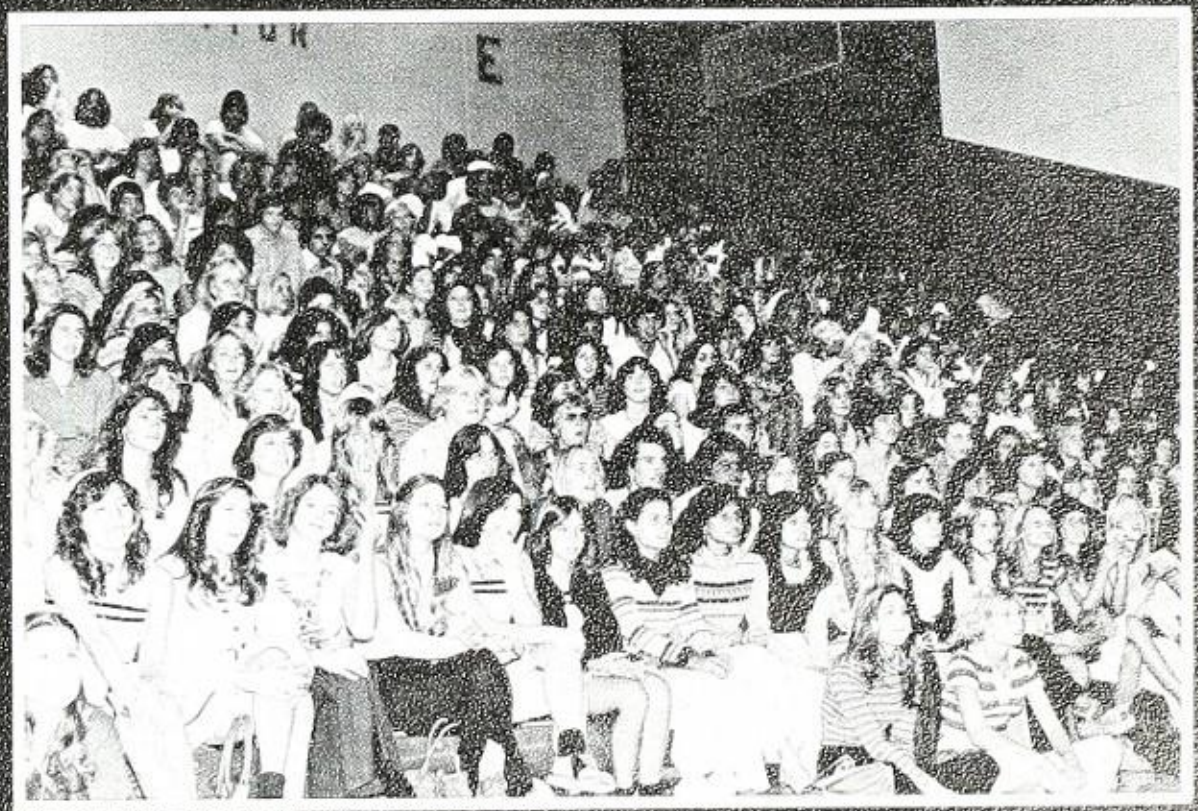
ACTIVITIES

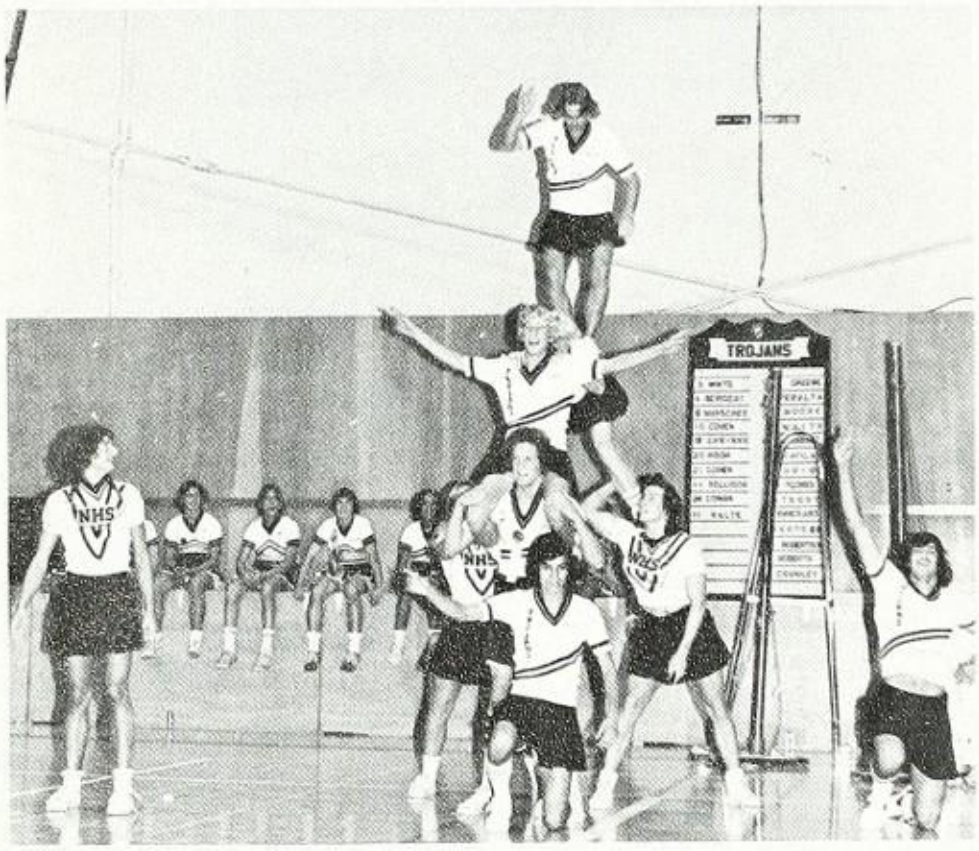
So many different people
But so many different ways
To spend our times and talents
We won't forget these days

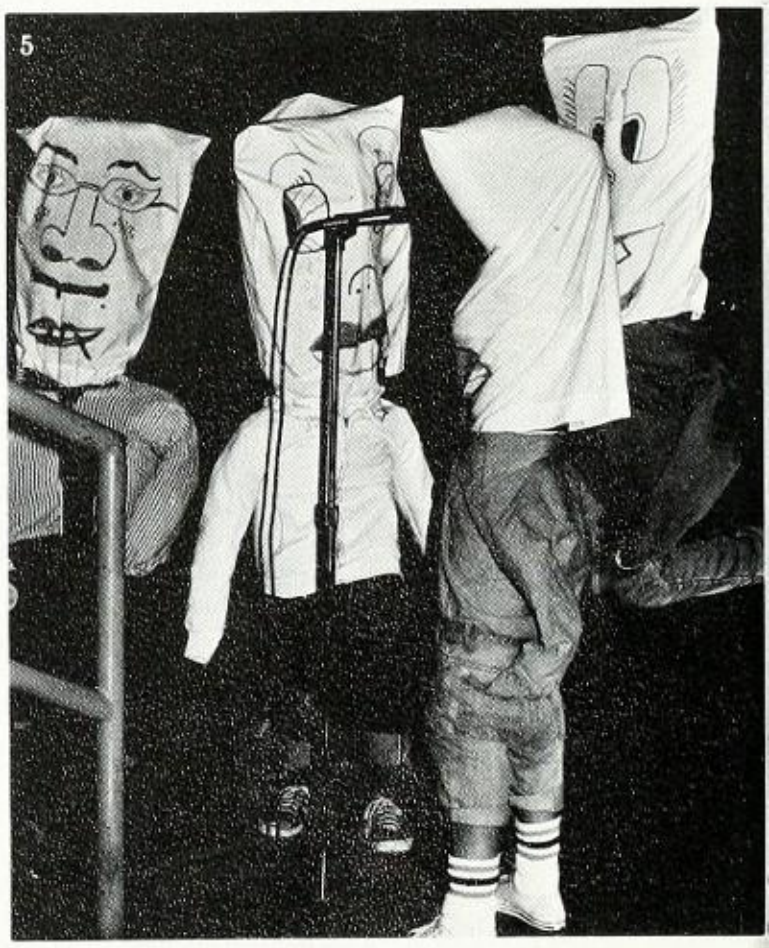




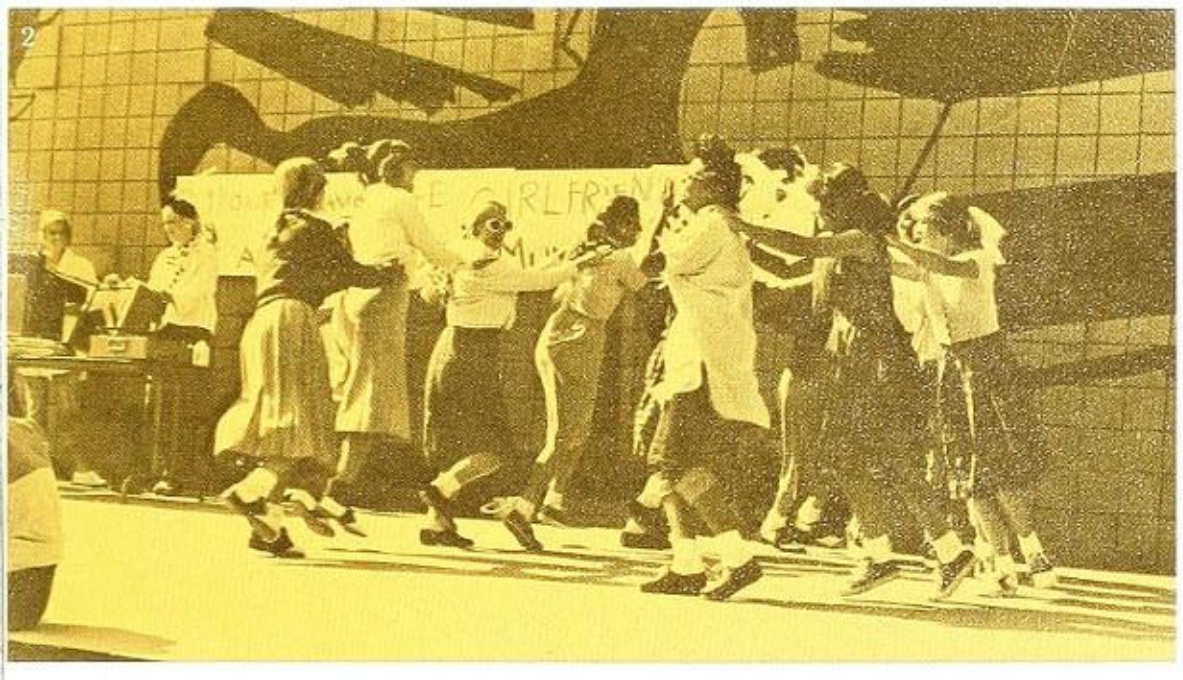
Rallies

The rallies were full of enthusiasm, spirit, and just plain fun. There were many incidents that made the rallies so much more exciting, for instance, the different skits, the battle of class competition, the unusual exchange rally where each pep unit became a different unit, the alumni rally, and the exchange rally where the football players became cheerleaders and vice-versa. There were many contests that everyone enjoyed and many ways that seniors got revenge on underclassmen who broke the senior's priveleges.





1. The underclassmen find out that going into senior square is wrong as song throws pies in their faces.
2. At the exchange rally, Varsity showed they are #1.
3. Flag did a fantastic job at the exchange rally.
4. Some cheerleaders show how loud they can yell for their class competition.
5. Sugi Garcia, Jo Ann Morgan, Linda Maher, Lori Ohlemacher, and Carol Smith do a skit at the rally.



Spirit Week

As you might have guessed, the students of Neff High **let loose** for a fantastic week of fun. The festivities were in celebration of the Homecoming game and dance at the end of the week. On Monday, you'd see students dressed in a style that hasn't been around for 20 years or so on 50's day. On Tuesday, Tourist Day, Neff looked like the sight seeing capitol of the world, when students carried maps, cameras, sunglasses not to mention the crazy hats they wore! On Movie Star Day, the students came dressed as such stars like Cher, Farrah, Pebbles and Bamm Bamm, Marilyn Monroe, and any other of the well known stars around. On Halloween Day you could walk down the halls and see anything from martians to clowns, guy ballerinas to girl army men, and even pumpkins or your favorite ghouls. To end the week on Friday, Trojan Day, spirited students dressed in the traditional black and gold.

1. Jan Yost, Janet Spellman, Val Cain and Lori Mackey eat their delicious picnic lunch on Tourist Day.
2. Some students show their dancing abilities on 50's day by doing the bunny hop.
3. On Halloween Day, Andrea Vermillion and Renee Quigley came as martians from outer space, while Jenny King and Denise Sarrizan came as Star Wars heroes.
4. Jo Ann Morgan and Leslie Metro decided they would come as "Pebbles and Bamm Bamm" on Movie Star Day.

Homecoming

After a fantastic week of visiting alumni, crazy costumes and ridiculous contests, the 1977 Homecoming Spirit Week ended. But it ended in **dazzling** fireworks and a very excited crowd as the announcer announced the new queen. The stands went crazy when Lori Ohlemacher was given the title of Neff's Homecoming Queen. Lori couldn't believe it, and said later that she was the happiest and luckiest girl in the world! Lori was chosen out of thirty-eight nominees and then five princesses to be crowned by last year's queen, Katie Shively. The whole court consisted of Queen Lori Ohlemacher, and Princesses Stacy Caplinger, Cindi Dalton, Sugi Garcia, and Ginger Morgan. The traditional dance afterwards, in honor of our new queen and her court and all of the visiting alumni, held many memories for not only Queen Lori, but for everyone who attended.

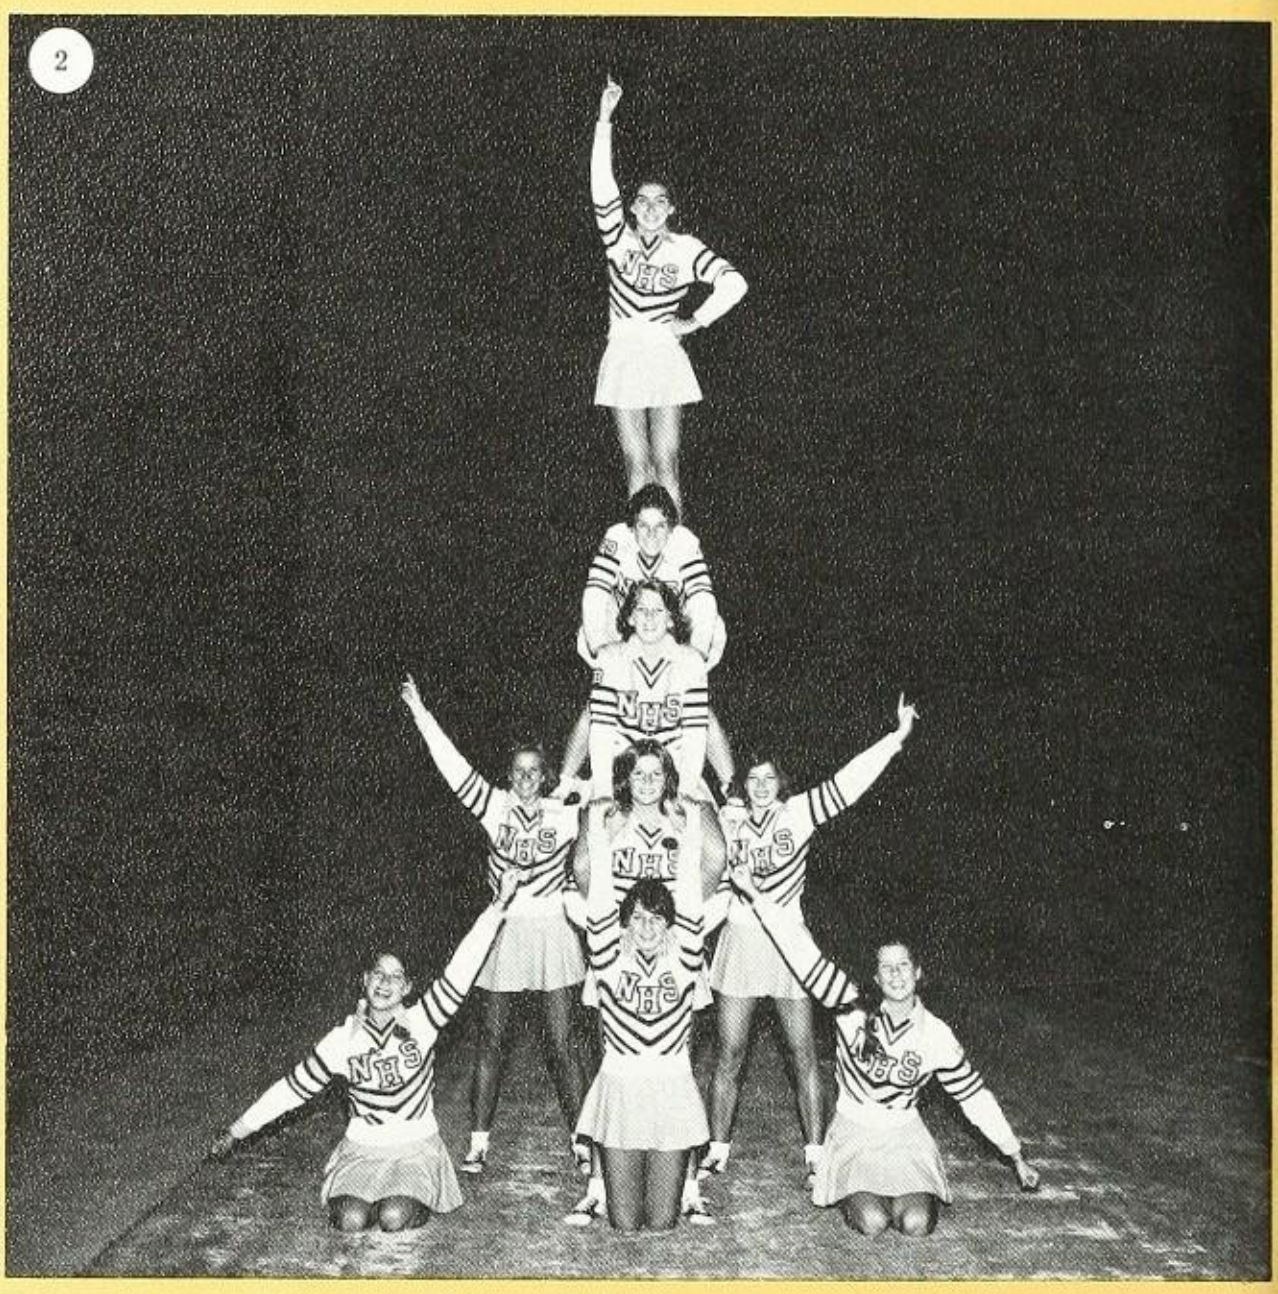
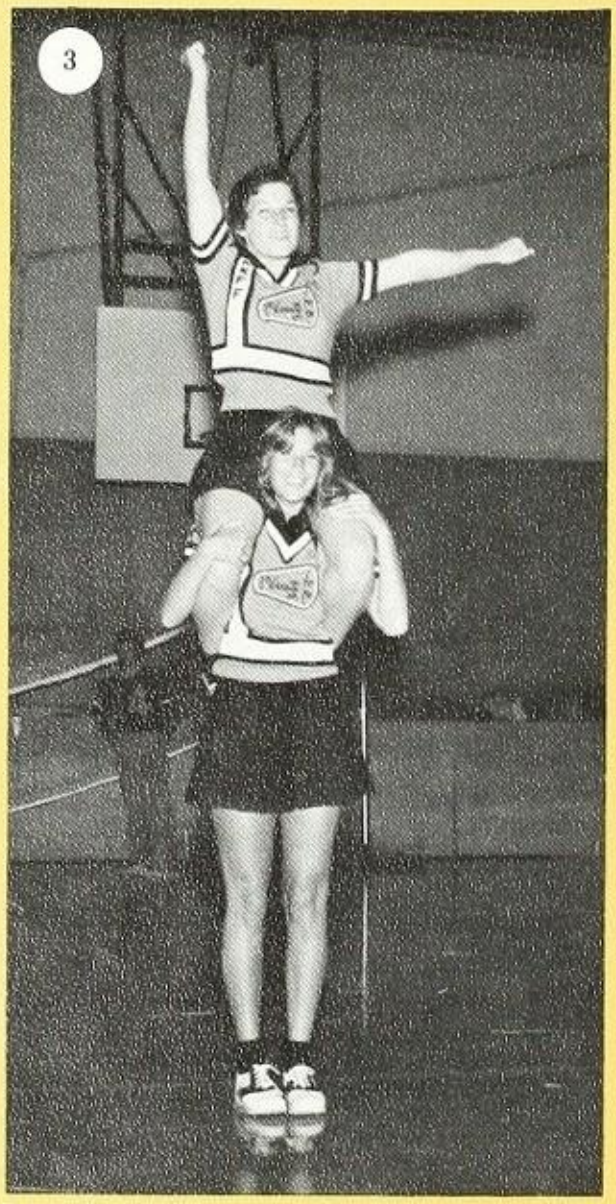
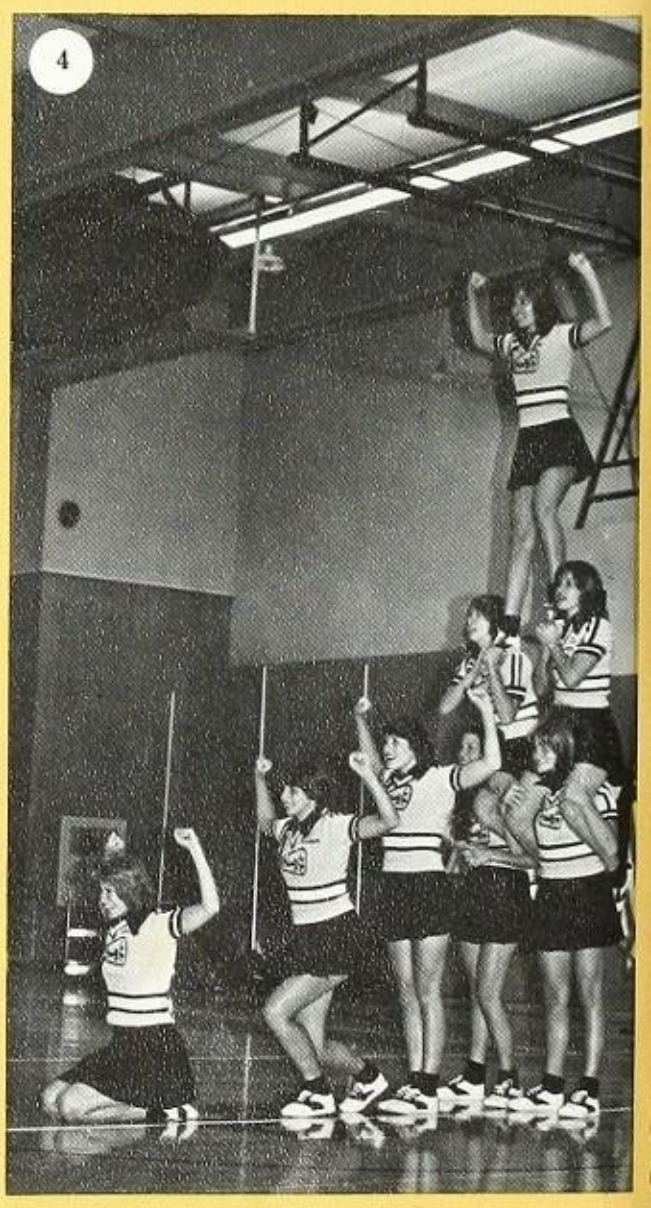
Varsity Yell

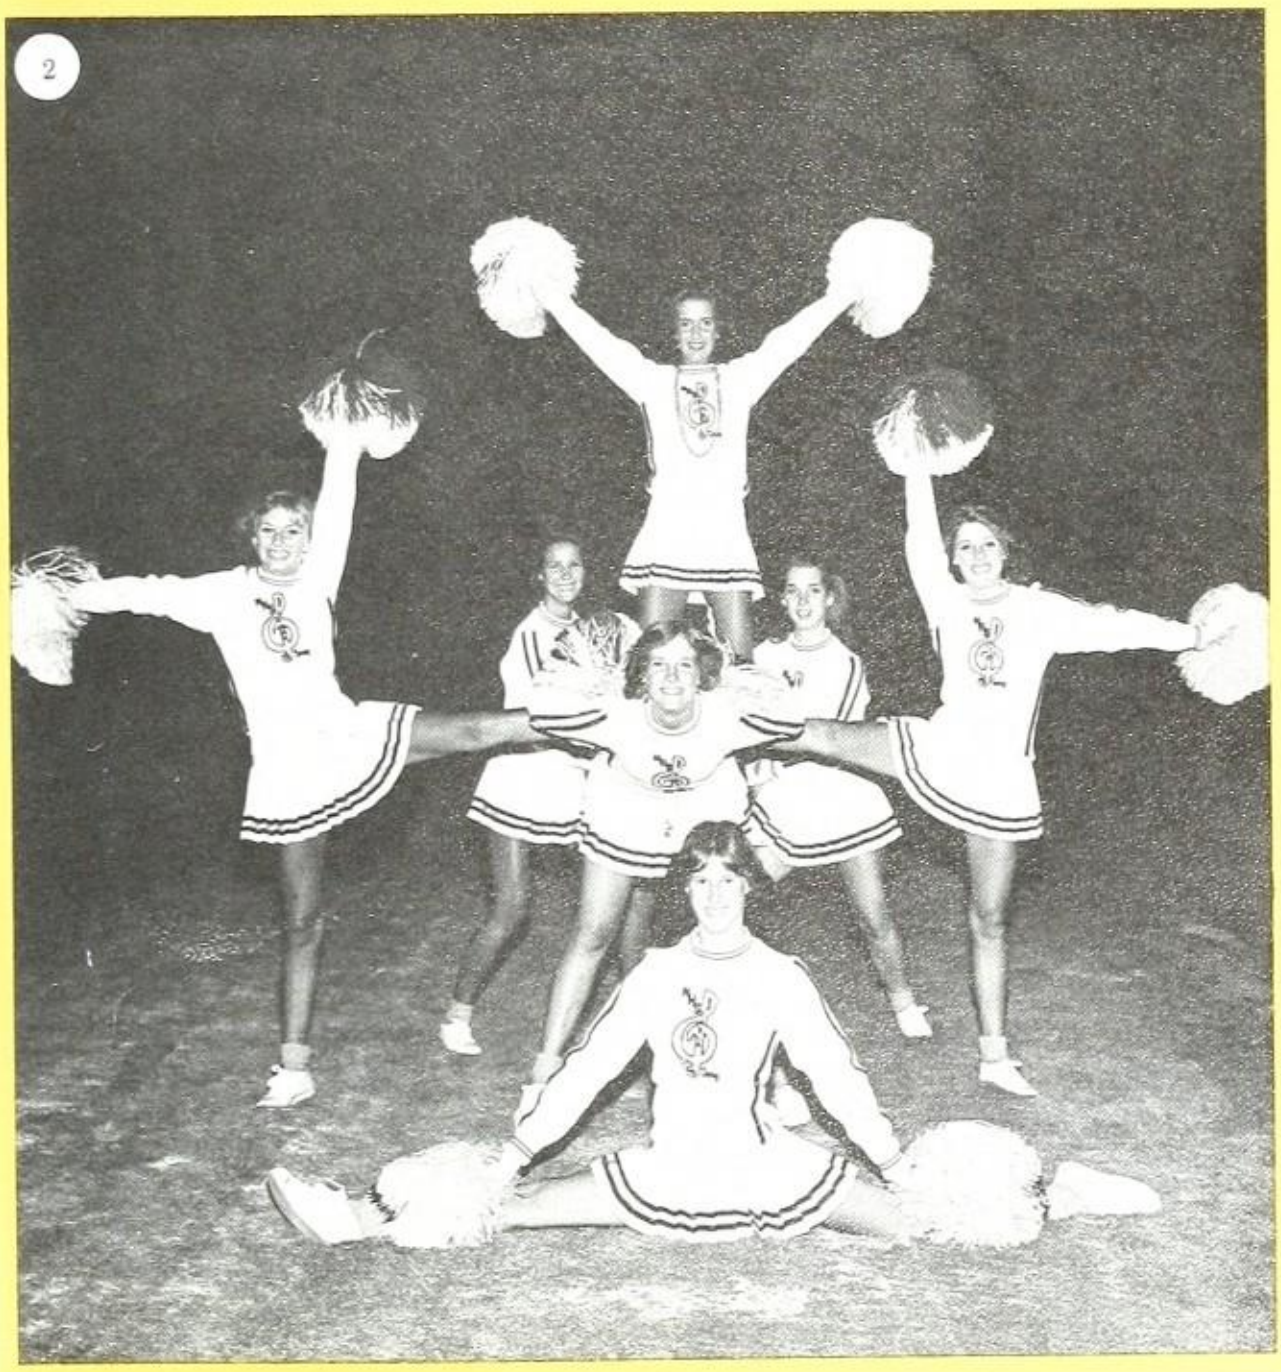
The 1977-78 Varsity Cheerleaders are unbeatable when they show the spirit of Neff High School. They have the Neff **pride** and also have the know how to be the best. When the pep units went to camp at Pt. Loma University, Varsity brought us back a first place trophy for their big competition and a second place for another competition. Even with having to break in a new advisor, Varsity, as well as every other pep unit, managed to be on top and really on the move. Along with the rest of the pep units, they made dinner for the Varsity football team, which the guys really enjoyed. These girls show us what spirit and leadership can bring you.

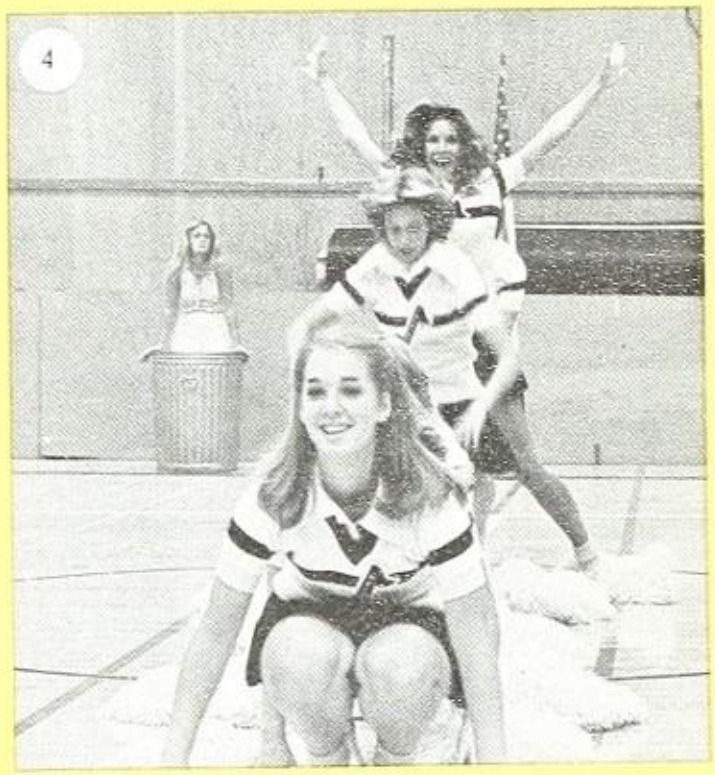






1. Roberta and Tina show their enthusiasm after a touchdown.
2. The 1977-78 Varsity Cheerleaders: Row 1: Gabriel Wurzler, Barbara Junge, Janine Reese. Row 2: Roberta Telesio (Head), Cathie Davis, Tina Riley. Top: Kelly Costello, Vicky Renaud, Chris Gochnour.
3. Vicky rides high on Roberta's shoulders.
4. Varsity performs at a rally in one of their best stack-ups.





Song

Talented!

This word is one that can best describe our 1977-78 Songleaders. They really have the talent to entertain their audiences with their smiles that show that they have the pride to wear Neff's black and gold. While attending camp, our songleaders brought us back two second places and they also won the spirit jug. Overall, they were voted by the judges as being the second most spirited song team at camp. Also, along with flag, they were invited to perform at a Rams game.

1. Song kicks up a storm.

3. Carla and Melanie wave the team on at a game.
4. Song jumps for joy!

Flag

The 1977-78 Flag twirlers are on top showing their school they are number one. When they attended camp they brought us back a second place in their big competition. They also brought home a first place in one of their performances. They did so well that the judges let them go home with **sweepstakes** proving that our flag twirlers are No. 1 in every way. They also were considered one of the most spirited flag teams at Pt. Loma University when they won spirit jug. Outside of camp, flag has done a very good job cheering at the games and rallies. Flag was honored to cheer at a Rams football game. They enjoyed themselves, but even better, the fans loved their performance.

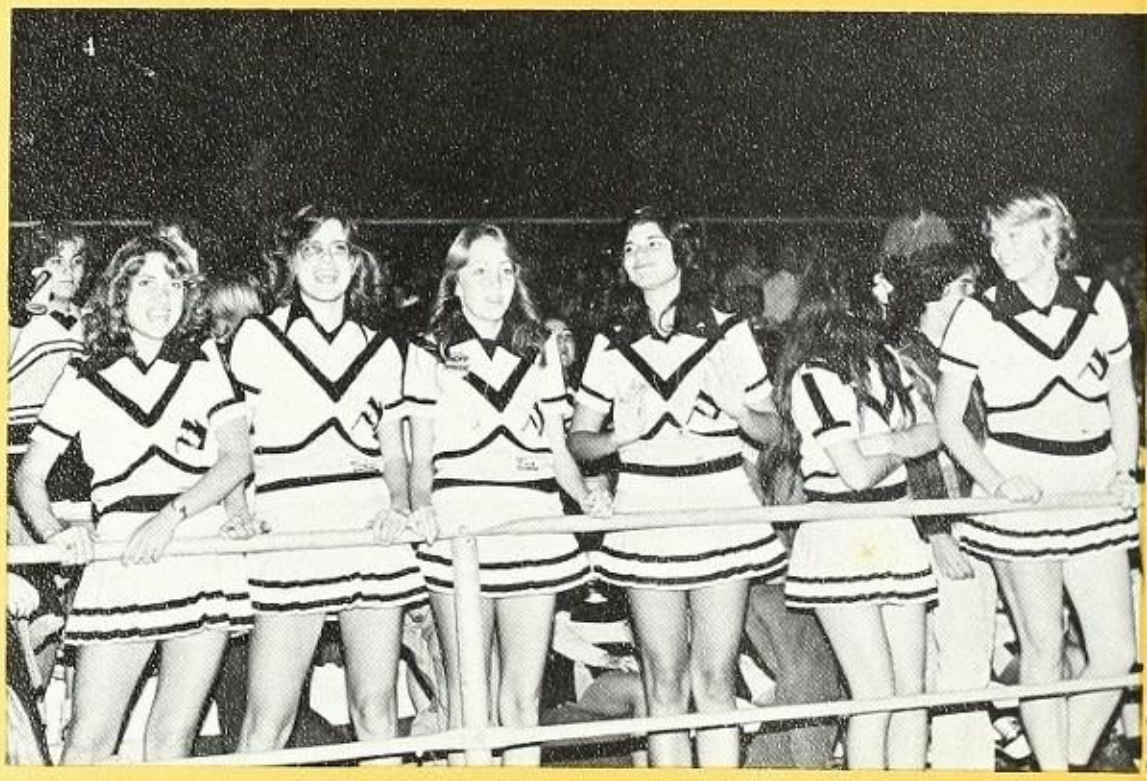
J.V. Yell

Outstanding! That's the feeling people get about our 1977-78 J.V. yell when they watch them. They really should be given a lot of credit for cheering at the freshmen, sophomore, and J.V. football and basketball games. While attending camp, our J.V. Yell brought us home a first place trophy in their big competition and a second place in a smaller competition. They put a lot into everything they did. At the rallies they gave excellent performances. Their contests at the rallies were crazy! In fact, they had a contest where guys and girls had to take ice cubes through their clothes! Alongside of all of the fun, J.V. devoted all of their time to being fantastic!

1. The J.V. Cheerleaders show how loud and spirited they are by yelling at the Neff vs La Mirada game.
2. The J.V.'s ham it up for a picture.
3. The J.V. cheerleaders were a huge success when they performed this cheer at the Big Sister Little Sister Picnic.
4. The 1977-78 J.V. Cheerleaders are: L to R bottom row: Terri Blackstock, Jamie Hancock, Elyse Levy, Lindy Mignot, Sherry Williams. Middle row: Suzanne Beattie, Kelli Ferguson, Carolyn Waterworth. Top row: Liz Wilhelm.

BANNER

Dedicated, stunning, and hard working. This is how you could best describe this year's Banner Carriers. At camp, they won 4th place in their competition and they were voted second place for most improved banner carriers. They really earned these honors by devoting most of their time to practice. At one of the rallies, they kept the seniors satisfied by decorating underclassmen's faces. These girls really showed their spirit for the black and gold they wore.



1. The 1977-78 Banner Carriers: Row 1: Nancy Ponzio, Denise Bernier, Ilene Shrewsbury. Row 2: Laurie Sorenson, Lisa Torres, Brenda Doyle (head).
2. Banner climbs to the top.
3. Banner, along with the Alumni, shows how to get it together.
4. At a game, Banner helps to cheer the guys on.

2. Sharlene Woronets leads our mascot down the field.
3. Ginny Shrewsbury and Judy Cary explain a contest for a rally.
4. The 1977-78 Drill Team: Row 1: Judy Cary-Co-Captain, Ginny Shrewsbury-Captain. Row 2: Tammy Gilbertson, Cindy Lugo, Sue Wagle, Tammy Warr, Joni Vindahl, Margarita Gonzalez, Debbie Brown, Laurie Lamb. Row 3: Laurie Bobier, La Reina Weaver, Sheri Inge, Debbie Nothwang, Michele Verdugo, Marie Weatherly, Robin Beard, Dianne Nothwang, Julie Byerly, Kim Kunkle, Becky Reynolds, Marie Pizzorno, Sue Eagle.

Drill Team

The 1977-78 marching Drill Team is on top with their spirit and Neff pride! This was Neff's first year for allowing freshmen to be on the unit. It proved to be a wise decision, because our drill team is great! At camp, they placed second as the hardest working drill team. Our drill team also had a raffle. This unit really deserves a thank you for all of the hard work they have given to our school.

A.S.B. Cabinet

The 1977-78 A.S.B. Cabinet was very involved. They were in charge of the rallies, senate meetings, assemblies, and the changing of the marquis. They sponsored the Welcome Dance, which started the year off. Parents Night was another activity they took over. They conducted the Homecoming elections and announcements. They attended Redlands University seminars which helped them with new ideas to bring back for our school. This year our A.S.B. officers really cared about our school and really tried to make it a better place for the people who will attend Neff in years to come.

Annual

If you were wondering who took the time to put this annual together, it was none other than the 1977-78 Troiani Staff. Everyone worked hard to make this annual the best one ever.

1. Publications students, Jim Boyer, Tim Young, and Joel Crawford, were other photographers for the Troiani.

Newspaper

Our 1977-78 Trojan Shield Staff's job has been none other than excellent keeping us informed about campus news and other outside activities. They did a remarkable job of **fighting** for the normal amount of newspapers. With all the hassles this staff has gone through, they kept Neff well informed about everything.

Plaza Suite

Neff's first play "Plaza Suite" opened the season with a touch of **class.** This light comedy took place in one room of the "Plaza Suite" Hotel in New York. There were 3 different acts, each with a different cast, and each with a different story. The first act dealt with a middle aged married couple on their anniversary. They stayed in the Plaza Suite for their anniversary, but problems erupt when the wife finds her husband is having an affair. The second act deals with a married woman who goes to the Plaza Suite to visit her high school boyfriend. She becomes drunk and stays much longer than she planned. The third act deals with a Brooklyn couple whose daughter locks herself in the Plaza Suite bathroom a few minutes before her wedding. It was an excellent way to start this season!

The Boyfriend

Neff's second production of the year was a musical titled "The Boyfriend". It was performed one night only at the La Mirada Civic Theater, making Neff the first high school to use the theater.

"The Boyfriend" took place in a girls school in Nice, **France,** in the 1920's. It was the story of the loves of the girls, one in particular, and it contained many exciting musical numbers. The play was a complete success, and a production Neff will be proud of for a long time to come.

The Women

Have you always wanted to know what lurks in the minds of women? Well, the third and final production of the year, "The Women", answered all of your questions. This play starred an all-girl cast, and an excellent one, at that. This play told the story of Mary Haines and some of her supposed friends, and their lives, loves, and losses. "The Women" was a **breakthrough** for the Drama Department, and was a fantastic way to end their very successful year!

Girl's League

This year's Girl's League Cabinet kept up the tradition of being the busiest club here on campus. They put on different functions such as the Christmas Dance and the Big Sister/ Little Sister picnic. They had successful fund-raisers like the Homecoming Mums, the See's suckers, the candy canes, and the Valentine carnation sale. Their biggest project was to plan the Hearts and Flowers dance. This was a **spectacular** event that everyone who attended enjoyed. It was held on February 18 at the Anaheim Convention Center. A big thank-you to these girls for all of their hard work.

Hearts And Flowers

This year's Hearts and Flowers dance, Simple Dreams, was a **festive** and very exciting event. Put on by the Girl's League Cabinet, this dance turned out to be one of the best dances Neff High School has put on. It was held at the Anaheim Convention Center and the students danced to the music of Elephante. The most memorable part of the evening was the crowning of the King and Queen, with the honors going to Raul Villasenor and Carol Nisbet. Congratulations to the whole court, especially Raul and Carol.

Band

Neff's band has always been superb. Every year our band has had it's own sound. Even this year with having to break in a new band director, Mr. Buntin, our band is really great. This year, along with La Mirada High School's band, our band performed in the La Mirada Civic Theater for the very first time. The highlight of that evening's performance was when the two bands combined as one, forming a spectacular band with over one hundred members. That was probably one of the few times you will ever see Neff High and La Mirada High join together. The Neff Band has also played at rallies and games, and performed at halftimes and in parades. Mr. Buntin has really showed our school that he has the ability to take over where someone else left off.

2. The band can be seen in action at a halftime performance.
3. Mr. Buntin and Drum Major Cary Bellack lead the band.

Jazz Festival

Neff's 6th Annual Jazz Festival was an event that was really successful. It was held on Saturday, February 25, and it lasted all day. The finest high school **jazz ensembles** from all over Southern California participated which made this a very outstanding attraction.

1. The Neff Jazz Band plays as the host band before the final winners perform.
2. Mr. Buntin, Neff's Band Director, introduces the bands at the Festival.
3. Ron Scott plays a dynamic solo on his saxophone.
4. Cary Bellak also gives a solo on his trombone.
5. Mr. Buntin directs the band in it's final performance of the night.

Girl Of The Month

Girl of the Month is an honor that only ten senior girls share. This **honor** is based upon these girls' G.P.A. and their school and community activities. The Girl's League Cabinet selects these girls monthly. Congratulations and thank you to these girls who worked to make our school a little bit better.

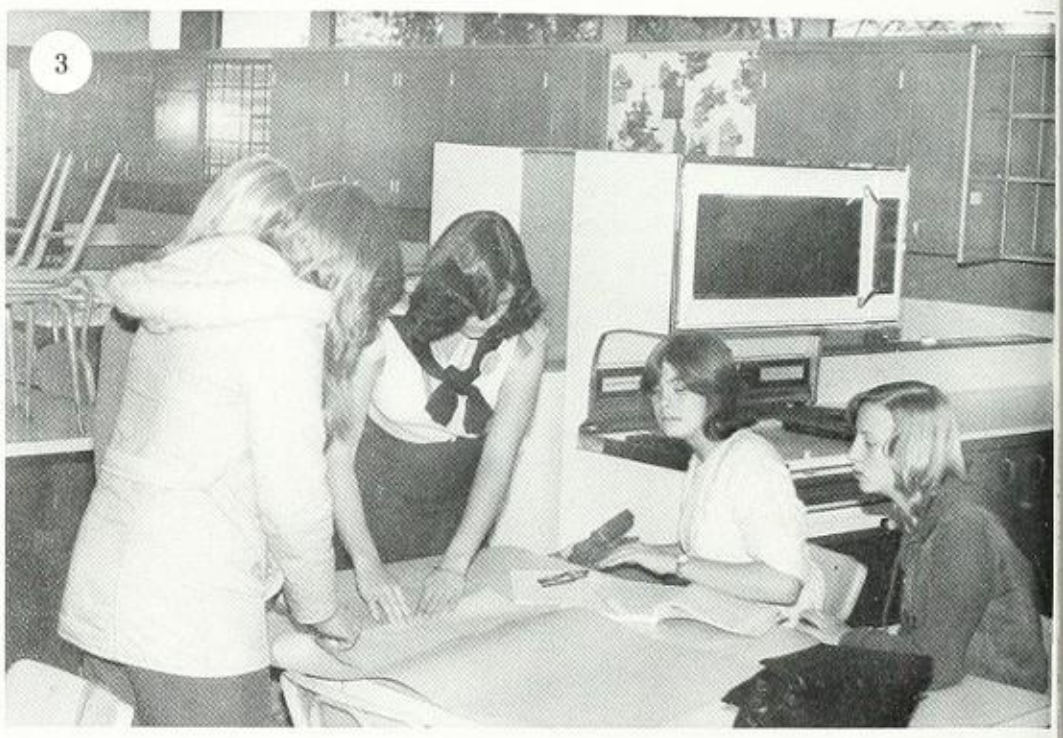
Campus Hostesses/Kalagathians

This year's Campus Hostesses and Kalagathians worked together often on their projects. They had a very busy year with many exciting projects. They made loneliness Boxes for Senior Citizens, tray favors for Meals on Wheels, and helped decorate for the Hearts and Flowers Dance. They also served refreshments at school functions, and helped usher at the play at the Civic Theater. The Campus Hostesses and Kalagathians advisors are respectively Mrs. Midyett and Mrs. Kagy. These two groups have been a great help to our school this year!



1. The Campus Hostesses and Kalagathians work together to make Loneliness Boxes for Senior Citizens.

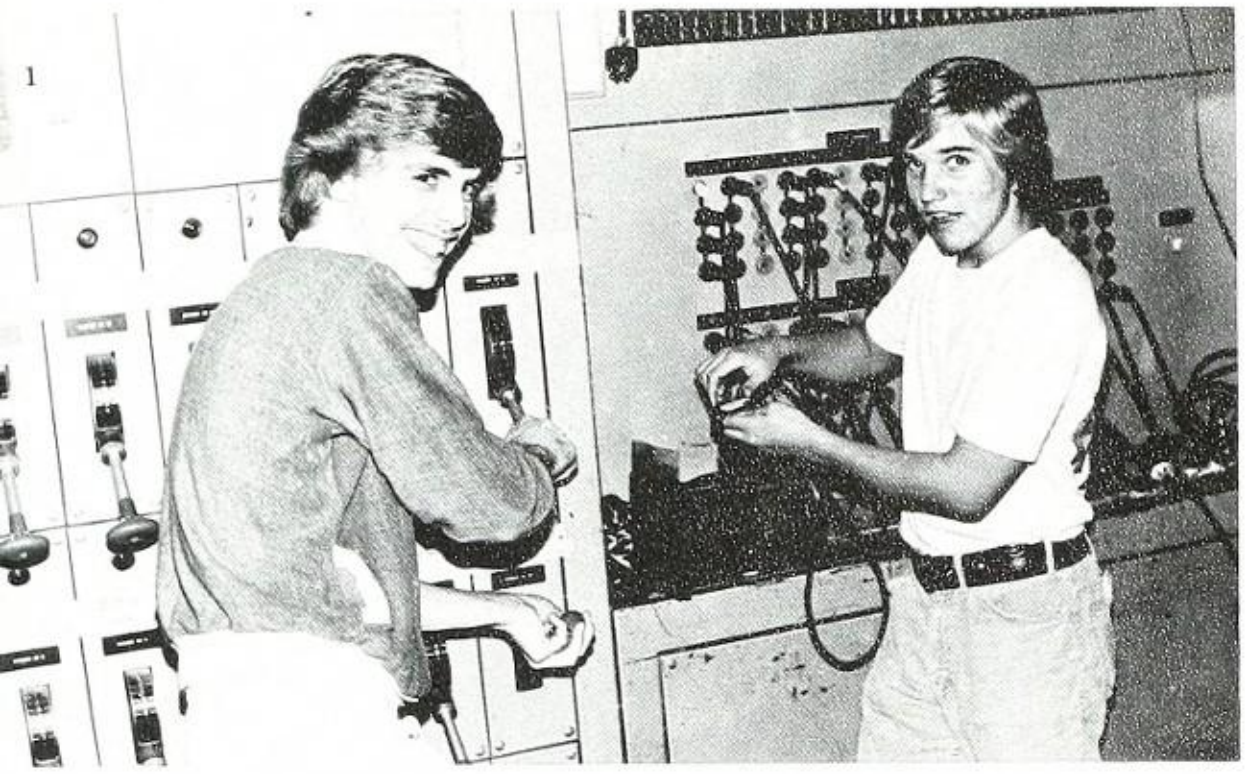
Publications/A.A.C.C.

The Publications Class is about one of the most interesting classes around. This class learns the basics of putting together the "Troiani" and the "Trojan Shield". They learn how to make layouts, crop pictures, write copy, and write captions. They also learn how to write editorials, feature stories, and profiles for the school's newspaper. It is from this class that the members of next years yearbook staff and newspaper staff will be chosen.

The A.A.C.C. (Advanced Algebra Country Club) is a fairly new club. It started last year and is very **interesting.** It takes place second period and is under the leadership of Mr. Carlson. It was created to promote interest in mathematical subjects and to provide a medium for further research and study in all areas of mathematics.

4



Thespians

This year's Thespians had a very exciting and active year. Besides putting on four plays (including a magnificent musical at the Civic Theater), they also had many other activities. During the summer they went to Magic Mountain and Disneyland. During the school year they attended two television show tapings (Dinah! and Three's Company), went to several plays, and just had a great year!

1. Mark Wilhelm and Gary Shelton work the light board during one of the plays.

MAZATLAN '78

Once again students from Neff High, under the direction of tour director, Pete Gomez, headed for the sand, sun, and surf of Mazatlan, Mexico. For the third year, Neff students were invited back to stay at the Hotel La Siesta. Just some of the activities that kept this group busy were sightseeing, horseback riding, surfing, parakite riding, shopping, or **partying.** But most of the time, everyone just kicked back and soaked up that fabulous Mexican sun.

This Mazatlan group consisted of these 48 counselors and students: Director Pete Gomez, Counselor Alan Carlson, Counselor Barbara Samuels, K. Adams, V. Cain, J. Chancey, B. Dowty, C. Dunham, B. Gallop, T. Gallop, N. Godfrey, C. Goodrow, S. Jacobs, D. Jones, L. Jones, C. Kelley, A. King, D. Layton, V. Ledbetter, L. Mackey, N. Madden, M. Marshall, M. McMullin, R. Mitchell, D. Mitts, L. Juniors

The 1977-78 Junior Class again held the traditional Junior-Senior Prom. With the help of their advisors, Ms. Painter and Mr. Brewer, this years dance proved to be the **best** one ever. They also had many fund raisers which included the sale of spirit buttons and baked goods. Our Juniors also sponsored the Homecoming Dance to help raise money for the prom. Congratulations to the Junior Class and have a great Senior year!

Sophomores

With the combination of advisors, Mrs. Jackson and Mr. D. Carlson, the Sophomore class did a great job this year. The Sophomore class was kept very **busy** raising money and sponsoring dances. Their fund raisers included a car wash, Easter Egg sale, seat cushion sale and they also sold Valentine candy. The officers worked hard to earn money for their class, and they all deserve a big hand.

Girls Cross Country

With most of last year's team returning, it looked as if Neff had a good chance of taking league. But inconsistent running caused the girls to settle for a third place finish in league. Irene Torres and Carla Carpenter were running in the **top ten** best runners catagory throughout the year. Under the fine coaching of Coach McGuire, these two girls along with Sheila Young, Sharon Ramos and Cathy Goodrow led the team to a first place finish in the Norwalk-La Mirada District Meet and important wins over Bellflower and Paramount. The girls were very competitive against all the schools, losing to Mayfair and Artesia by a point spread of just one and five points, respectfully.

Varsity Cross Country

Opening the season with wins over Gahr and Bellflower and placing first in the Norwalk-La Mirada District Meet, it looked as if this year's team would end up the number one team in league. But tough losses to Artesia and Mayfair and a surprise loss to Excelsior dimmed their chances. Leading the Trojans to a fourth place finish was the number three ranked runner Ken Carpenter and the "super sophomores," Jim Prondzinski, John Lizardi, Greg Henkel and Steve Galvan. Should these four runners return next year, Neff should have an excellent chance of taking league.

J.V. Cross Country

The J.V. Cross Country team did a good job this year. The J.V.'s are merely backup men for the varsity. It depends on how each guy runs from week to week. Chuck Salazar, Jim Bassett, Mike Kluck and Steve Zapka led the team in taking an **excellent** second place in league play and a first place in the Norwalk-La Mirada District Meet. These four guys helped the team greatly with their superb running.

Frosh Cross Country

The Freshmen Cross Country team, led by Bill King and Jim Gardner, had a commendable season. Due to lack of depth, the team **suffered** losses by either forfeits or not having enough runners to accumulate enough points to win. Coach McGuire added that if they had three or four more guys out, the freshmen could have been a tough competitor for the league championship.

Varsity Football

The Trojans opened up the 1977 season against their cross-town rivals, the La Mirada Matadores. Steve Monderine made some excellent catches and Lance Ackerson had two six-yard touchdown runs as Neff **steamrolled** the Mats, 14-0.

Gahr was a 7-point favorite over Neff but the Trojans would have no part of such a prediction, downing the Gladiators 16-6. Glen Buhr (103 yards rushing) and Steve Mullinax led the offense while Ken Woodburn headed the defense with three interceptions. The Trojan defenders let Gahr gain only 36 yards rushing.

League opened at Bellflower the following week, and the Trojans beat the Bucs, 13-3. Neff's defense stifled the Bucs in a battle that was marred by an end zone brawl. Steve Mullinax ran for 98 yards and scored both touchdowns.

The Trojans were underdogs for the fourth straight week when they met Artesia. When the contest was over, they were also victors for the fourth straight week as they squeaked by the Pioneers, 7-0. A 35-yard sweep by Steve Mullinax provided the only touchdown of the night. The tough Neff defense was again very stingy, allowing only 18 yards rushing and 77 yards passing.

Glen Buhr carried for 120 yards and three touchdowns on only eight carries as the Trojans buried the Excelsior Pilots, 36-0. One of the many defensive highlights was Kevin McClain's end zone tackle of the Pilot punter, awarding Neff a two-point safety.

The top-ranked Trojans next traveled to Paramount to face the favored Pirates. The Paramount squad boasted an explosive offense, but Neff seemed to have it **shut down,** leading 21-3 in the final quarter. The Pirates, however, refused to die, and closed the score to 21-18. At this point, the Black and Gold shut the door and hung on to a three-point victory. Ken Woodburn had an interception and returned a fumble for a touchdown.

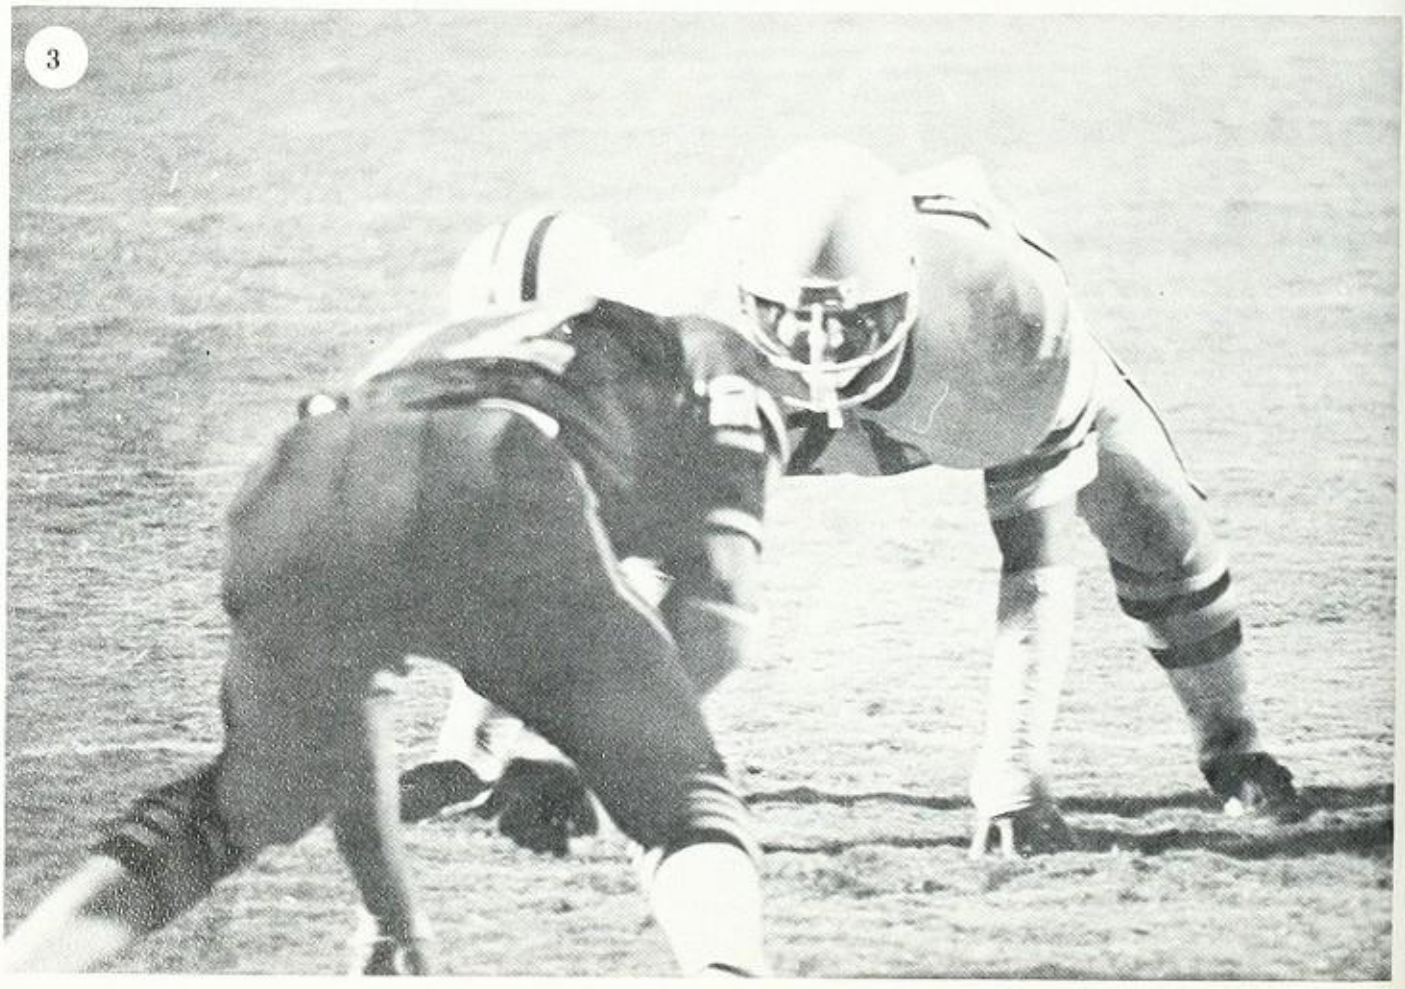
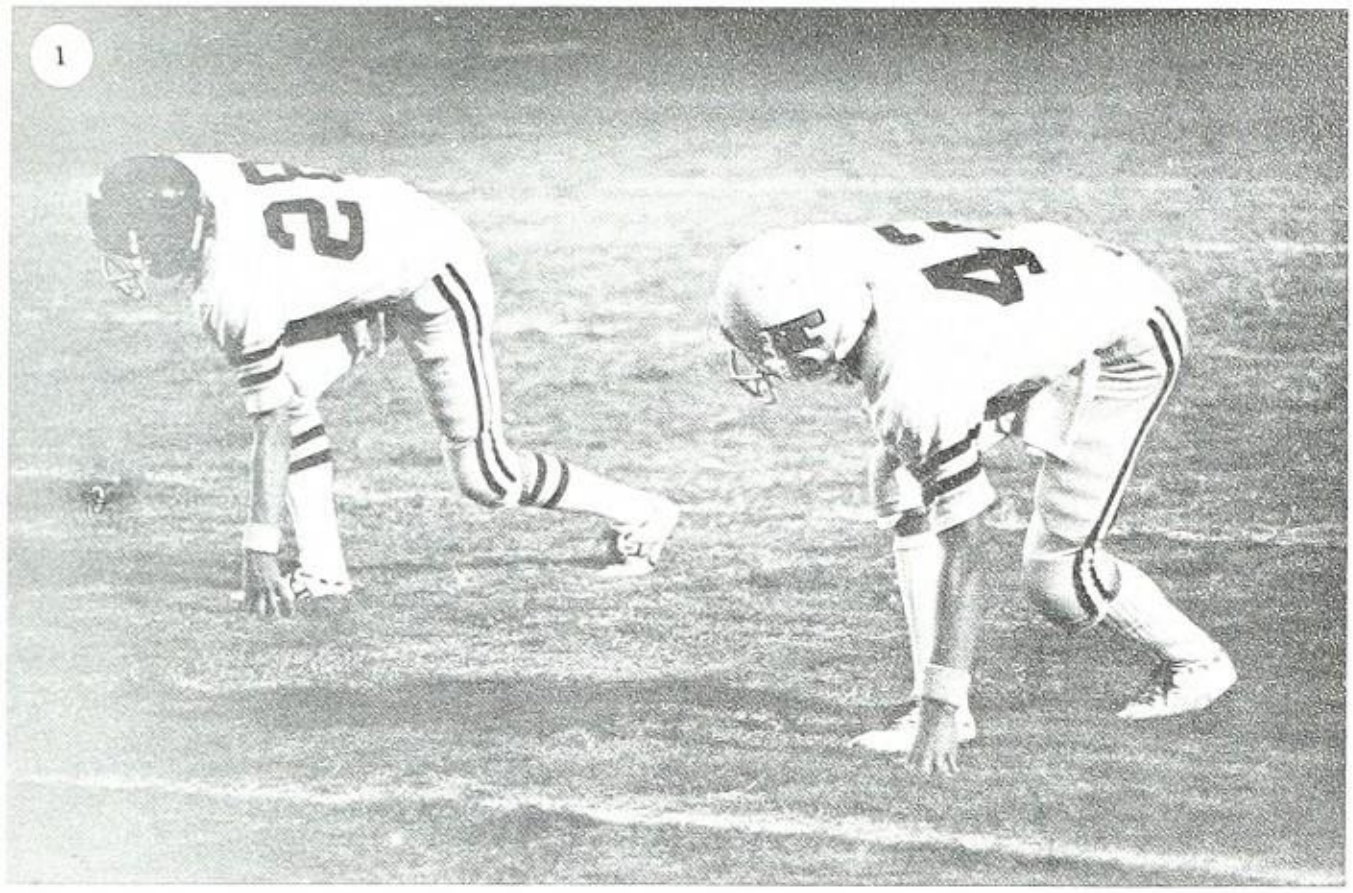
Varsity Football

The return for Homecoming pitted the Trojans against the Eagles of Glenn. The opponent had a reputation of being a **scrappy,** tough ball club, and they lived up to their billing.

Glenn got on the board first with a field goal, and the Eagles were holding their own in the early going. Lance Ackerson's 20-yard touchdown run gave the Trojans a 7-3 lead, and Glenn couldn't score again. Rocky Costello kicked two field goals and Steve Schickling returned an interception 40 yards for a touchdown, making Neff a 20-3 winner.





Lance Ackerson ran for two touchdowns as Neff defeated Mayfair 16-8. Ron Scott contributed two interceptions to the victory as the defense played another fine game, allowing Mayfair only a single touchdown in the final quarter. The stage was set; the 8-0 Trojans would have a showdown with the undefeated Norwalk Lancers for the league title with the number one ranking on the line.

Varsity Football

A Steve Mullinax to Glen Buhr 18-yard scoring pass with 23 seconds left in the first half was all the Trojans could get against Norwalk as they tied the Lancers 7-7. The defense did a fine job against a power-packed Norwalk attack. The Trojans headed to CIF as Co-champs of the Suburban League.

Steve Mullinax ran for three touchdowns on the ground and passed for another as Neff put away Alemany, 35-7. Junior Mark Sanchez rushed for 102 yards and Kevin Ufholtz and Don Weeks each had an interception as the Trojans advanced to the second round.

Miraleste High, the Trojans' next opponent, had an explosive running game and a hard-hitting defense. Neff took a 7-0 lead in the second quarter on a 2-yard Glen Buhr run. Miraleste scored later in the quarter but Kevin McClain blocked the try for the extra point, one of his many fine plays in the game. Neither team could score in the second half and the Trojans nabbed a 7-6 victory.

The Trojans relied on a pair of Mullinax-to-Monderine touchdown passes to put away the Esperanza Aztecs. The hook-ups were good for eight and thirty-five yards, and both followed Esperanza turnovers, a tribute to our fine defense. Jack Silvey had ten unassisted tackles in the first half alone, and Steve Schickling grabbed two interceptions, carrying Neff to a 14-6 triumph.

The final round was a rematch of the Suburban League Co-champs. The Trojans trailed Norwalk 9-0 in the second half but scored ten points within 1:11 of the third quarter to take a 10-9 lead. A Rocky Costello 41-yard field goal put Neff up 13-9 with eight minutes left. The Lancers, however, scored on a 45-yard touchdown pass with 2:18 left in the game and took a 17-13 lead with their two point conversion. Neff mounted a powerful drive but was stopped when Steve Mullinax was sacked at the seven-yard line with time expired. The Trojans accepted the tough loss gracefully, proving themselves a **classy** team that Neff High can be proud of.

JV Football

This year's JV Football team had a season very similar to the Varsity in one important respect; it was very successful. Compiling a 6-1 record, the squad was a group that executed well.

Kevin Kidman was the quarterback, and he led the offense along with running back Mark Sanchez. Tackle Tom Layton and center-guard Don Bowker helped anchor the line. Middle guard Chris Baca and defensive back Don Weeks both did fine jobs on defense. The whole team deserves congratulations on a **super** season which should be a stepping stone to a CIF berth next year.

Sophomore Football

The sophomore football team was inexperienced from the start due to the loss of eleven starters from the Freshmen of '76. This year was a learning process for many first-year players on the team, and the **effort** displayed was outstanding. Improvement was reflected in the scores towards the season's end. Dan Fontes' gutsy running, Dave Vcelik's powerful running and Ed Dolan's tough tackling led Trojans to a successful year.

Frosh Football

The Freshmen dropped their first two games, but have shown improvement throughout the season. They finished with a record in the .500 range, and the only problem the coaches see is a lack of experience. With more experience, this group of athletes is capable of carrying Neff's **winning** tradition.

The hustle of running back and linebacker Leo Briones and the leadership of Mark Yniguez shone as bright spots of the season. When the Freshmen put it together, they dominated their opponent, as shown by lopsided scores against Bellflower and Excelsior.

Varsity Basketball

The Varsity Basketball team opened up its 77-78 season at home with the rival La Mirada Matadors. The Trojans had three starters in quick foul trouble and they had to watch from the bench as the Mats opened up a 12-point lead in the second quarter. The Trojans still could have been in the game but due to poor free throw shooting they lost, 50-40. The Trojans played good basketball in pre-league but never seemed to be able to pull out close games. The squad's won-loss record was not as good as expected but they were optimistic as league rolled around.

Neff's season started auspiciously with a 70-50 conquering of Norwalk. The Trojans then came home and did everything right for three quarters as they led Glenn by as many as 18 points before holding off an Eagle rally to win, 56-54.

Neff traveled to Artesia and received their first loss, a 71-68 overtime setback. The Trojans came from eight points down in the last period to tie the Pioneers, but were outscored in overtime. The return home found Neff losing 59-45 to sixth-ranked Bellflower in a game that was close until technical fouls hurt Neff at the end. The Trojans then suffered a 76-55 drubbing to Mayfair in a game where the Monsoons did nothing wrong and Neff did little right.

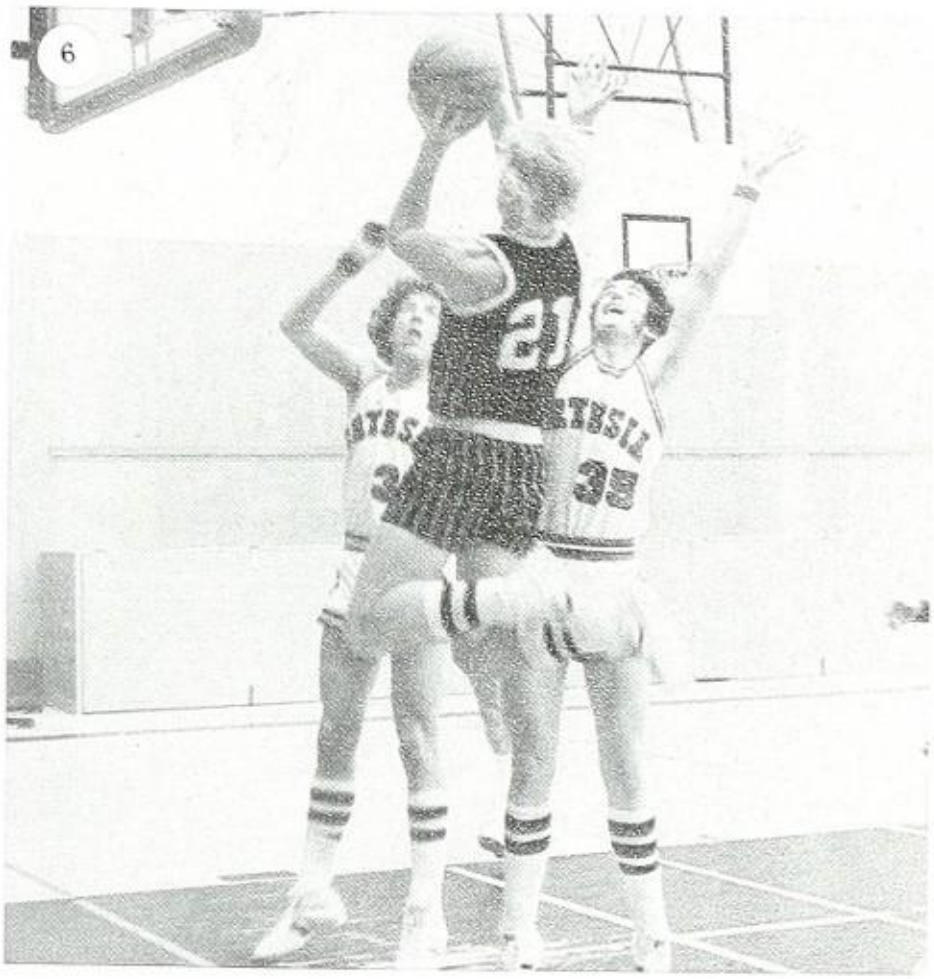
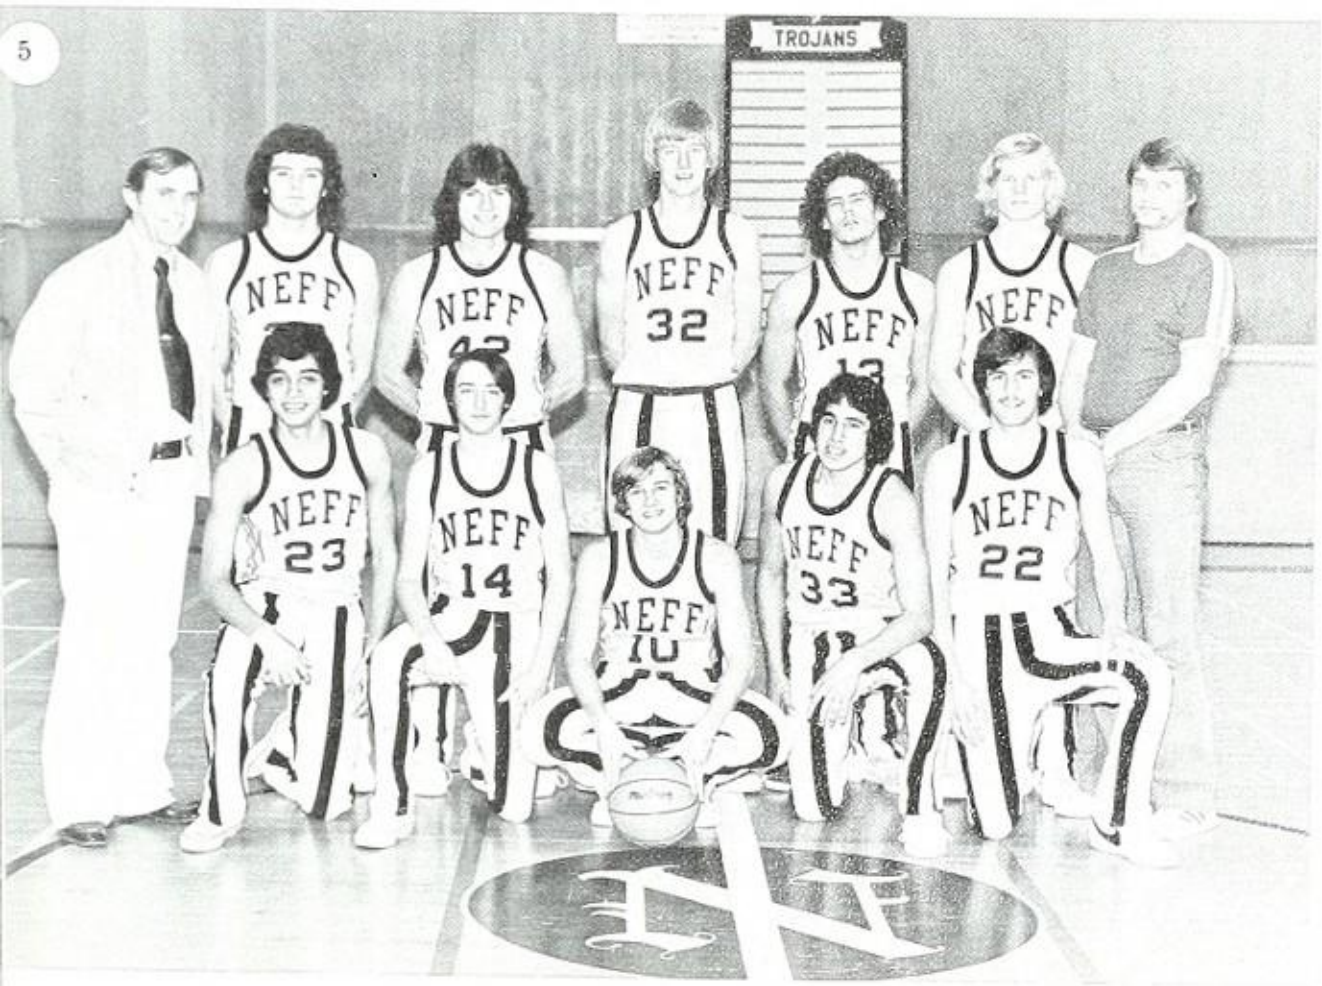
6. Ted Haupert pulls up for a short jumper against Artesia.





Neff suffered a loss at Paramount before defeating Excelsior 58-51. The Trojans came back home to down Norwalk 57-48 in the opening game of the second round of league. Neff's record went to 5-4 after beating Glenn 53-79 behind the **fire-power** of a second quarter where the Trojans outscored Glenn 28 to 6.

One of the most exciting games of the season came when Neff tried to avenge an early season overtime loss to Artesia. The Trojans were down by 12 points in the first quarter but came back to lead by 2 at halftime after an inspired second quarter. Artesia came back to win the close contest, but the loss did nothing to diminish the Trojan comeback.

Varsity Basketball

The Trojans lost road games to Bellflower and Mayfair and then dropped a decision to Paramount at home before their season finale with Excelsior. Neff closed out with a win, dumping the Pilots 64-56.

Not making the playoffs was somewhat a dissappointment especially since Neff had talent that was basically equivalent to the league's other teams. The Trojans found out that it is proper use of talent and ability to blend together as a team that wins games, and they sometimes came up short in these departments.

As well as the team victories, there were individual highlights. Jeff Young was top scorer, followed closely by Terry Snavely and Chris Chilcott. Young also led Neff in rebounds, and Chilcott was second in that category. Gil Pineira played tough defense, and Gregg William's shooting and quickness helped Neff. Ted Haupert, who came up from the J.V. in mid-season, did a fine job.

Desire was always present and the team always played with **intensity** and hustle. The Trojans, even when facing adversity, never folded, upholding the Black and Gold Tradition.

1. Jeff Young towers above the Bucs for a basket.
2. A Norwalk defender can't get close enough to block Gil Pineira's shot.
3. Rich Duquette advances the ball upcourt with a pass.

JV Basketball

The JV Basketball team finished with a record similar to that of the Varsity. They lost their top scorer to the Varsity squad early in the season, but they never quit, playing **aggressive** basketball against teams bigger than themselves.

Coach Williams' team was led in scoring by Paul Simon and Rooti Parra, and in rebounding by Dave Rush and Don Adams. Chris Rouly and Ron Duquette moved the ball well at the point, and John Repka and Mike Chancellor played steadily. The reboudning help of Roger Plank and Eric Olsen rounded out this team with a good Varsity future.

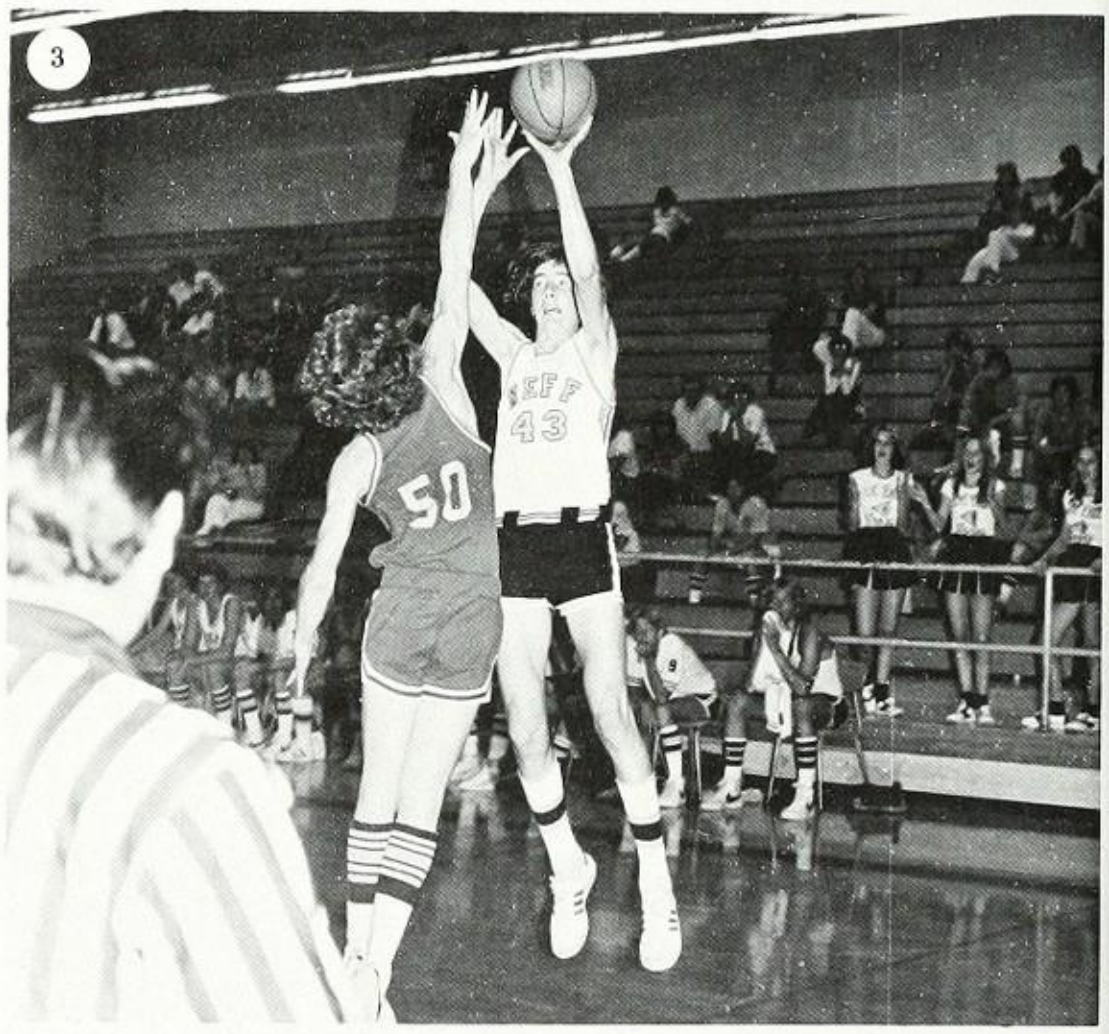
Sophomore Basketball

The Sophomore squad, led by Coach Al Uribe, was a unit without any superstars. Rather, they had many good team players and worked well together. Their **teamwork** kept them in the title race all year. Rich Brinnon led the scoring while Brendan Powers topped the rebounders. Paul Young played tough defense and Vince Outlaw was a good passer, leading the team in assists. Joe Metro and Kirt Shively were steady players and Mike Williams sparked the club off the bench.

The Sophomores' good record and tough play foretell success for Neff Basketball in the years to come.



Frosh Basketball

The Freshmen team improved greatly during the season, and were able to finish league with a winning record. Tom Hensley and Scott Pehlke were the top scorers with Frank Padilla and Doug Yount directing the team on the floor. Mike Soranno, Tom Hensley and Rich Robinson were tough rebounders while Ed Arocha and Scott Grey played hustling defense.

Coach Bangs feels that the squad lacked experience previous to this year, but their hard work and enthusiasm is a strong base for future competition.

Girls Varsity Volleyball

The 1977 Varsity Volleyball season was what Miss Tisdall called the rebuilding year. With only two returning players, the girls were optimistic about this season. But with the help of setters Becky White and Carol Cowan and the excellent spiking of Missy Newgent, Joyce Cohen and Ginny Cohen, the Trojans **surprised** everyone by ending up with a 12-2 record and earning a berth in CIF. Unfortunately, the Trojans drew the CIF number three ranked Lobos of Los Amigos. This game was one of top highlights of their season as the girls exceeded their normal play by far. But their lack of height and experience was evident as they lost. With eight players returning next year, Neff should go far in league and CIF.

Named as the Most Valuable player by Coach Tisdall and her teammates was Becky White. She was also named the CO-MVP of the league. Also named to the All-League team was Missy Newgent and receiving an Honorable Mention was Ginny Cohen. Named as the Most Improved Player was JoJan Hieda.

Girls J.V. Volleyball

The 1977 J.V. Volleyball team, under the guidance of Bette Brunner, did a great job. With most of the team being freshmen and inexperienced, it didn't look too good for this young group. But their **enthusiasm** and eagerness to play enabled them to end the season with a 9-5 record and a second place in league. Freshmen Kathleen Lundquist, Jill Terry, Rita Robertson and Carol Moore showed great improvement as the year progressed. With a year of experience, these girls should lead this young team to a great season next year.

Named as the Most Valuable Player for her overall leadership and ability, was La Greene. Most Improved Player was Jill Terry. She has greatly improved in all areas of volleyball.

Wrestling

The 1977-78 Varsity Wrestling Team, led by Co-Captains Keith Kincaid and Rick Bassett, had a good season this year. Despite the fact that the team was not full and had some forfeits, the team ended up with a 4-5 record. Coach Maertz feels that "a full complement would have put us in the title race".

Keith Kincaid and Larry Williams led the team in scoring, while Kincaid and Don Bowker had the fastest pins. Juniors Don Bowker, Jim Bassett, Todd Waugh, Mark Yergenson and Dean Fukawa did well this year and Coach Maertz should have a strong-contending team for the league title next year.

The J.V. Team, which had a very small roster, was led by sophomore John Padilla. John was the leading scorer on the Junior Varsity level. Others rounding out the J.V. squad were: Dave Vcelik, Mark Drake, Johann Schwartz, Ken Wissler, Jerry Rodriguez and Les Holstad.

Girls Varsity Basketball

The 1978 Girls Basketball Team had a very successful season. In pre-season play, the Trojans were 4-3. The girls also finished an impressive second place in Neff's first Girls Basketball Tournament. Under the super coaching of Sue Tisdall, this year's team overcame their height disadvantage by playing aggressive basketball offensively and defensively. Not one person can be given complete credit for the team's victories because the team was well-balanced and every player contributed to every win. At the end of the first round the Trojans were 5-2, losing to Mayfair by one point and a tough Artesia team. As the second round started, the girls needed a win over Mayfair to enter CIF, but this hope was shattered when the Monsoons overcame a Trojan spurt in the third quarter to take the game, 45-49.

Leading the team in points scored were Becky White and Ginny Cohen while Renee Quigley and Missy Newgent dominated the boards. Passing off for the most assists was the playmaker of the team Pam Dolan.

Girls J.V. Basketball

With a totally new squad this year, the 1978 Girls J.V. Basketball Team did a **fantastic** job. Coaching the J.V. squad for the first year was Athletics Director MR. Arvel Goodman. Under the guidance of this fine coach, the Trojans finished league in third place. Coach Goodman feels that "the girls had enough individual talent and team enthusiasm to be number one in the league, but lack of confidence and never really reaching their full potential held us back."

Leading scorers for the team were Carol Moore and Diana Steckbauer. Sherri Thompson and Cindy Dwyer showed a lot of improvement as the year progressed and should be a promising pair for next year. With this year's team consisting mainly of freshmen and sophomores, we can look forward to an even better team next year.

VARSITY BASEBALL

Varsity Baseball was Neff's mystery team in 1978. The team had strong individual talent and seemed headed for a winning season. In pre-league action, the Trojans beat Brea while getting an extra-inning tie with Kennedy and losing in extra innings to La Mirada. **Disappointment** soon replaced optimism, however, as the hitting that was expected to come around never did. The Trojans lost some close games, and couldn't push across the key runs needed to win. Neff's season was tough and frustrating, but a good nucleus of juniors are left behind to get Trojan baseball back on the track in 1979.

J.V. BASEBALL

J.V. Baseball is that middle of the road squad which is not quite Varsity status but yet a step up from the Freshmen level. This team consists of sophomores and juniors and was excellently guided this year by coach Mike Weyant. Neff was once again represented by these players in a **winning** and sportsmanlike manner. This squad has earned a well deserved pat on the back. Congratulations boys on a job well done. Next years Varsity team should prove to be a big success.

FROSH BASEBALL

With the help of Coach Mele and Assistant Coach Porras, the freshmen team came through with their Trojan **determination.** They worked hard and showed great potential. The experience they gained this year should certainly help them in their future winning seasons.

VARSITY TRACK AND FIELD

One of the sports that Neff is said to be the strongest in is Varsity Track and Field. In producing a winning team such as this one, coaching is an important aspect and, of course, Neff has two of the best, Coaches Bob Mc Guire and Ray Mooshagian. Coaching may be important but team effort is equally important. The athletes who deserve recognition in their events are: Kevin Ostler in the 100 yrd. dash, Ron Scott in the 440, Ken Carpenter in the 880, Robin Mitchell in the mile, Jim and John Prondzinski in the 2 mile, Rick Smith in the low hurdles and Donovan Lee in the high hurdles. The field events were led by: Rich Ortega in high jump, Glen Buhr in long and triple jump, Jim Bassett in pole vault and Jim Serano in discus throw and shot put.

For you to believe the amazing abilities of these athletes, you have to attend one of their track meets. Your school spirit and support is greatly appreciated!

GIRLS TRACK

The Girls Track Team hoped for a good season following a **tremendous** victory over the cross-town rival Matadores of La Mirada. Carla Carpenter, Irene Torres, and Cindy Kelley were just a few of the people who contributed to the Trojans' success. The girls were coached by Mr. Bob McGuire and Mr. Ray Mooshagian.

FROSH-SOPH TRACK

Under the direction of Mr. Bob McGuire, the Neff Frosh-Soph Track Team had high hopes for a good season. The Trojans' over-whelming victory over La Mirada proved that they would be tough to beat in Suburban League competition. Individually, Jim Whitney in the shot-put and discus, and Dave Vcelik in the sprints were just two reasons why the Trojans threatened Artesia's reign on the Frosh-Soph crown.

BOYS VARSITY TENNIS

Under the coaching of Roger Williams, the Varsity Tennis team was led by John Jones in singles and John Repka and Humberto Briones in doubles. The squad will only be losing 3 players which proves Neff's Tennis will be **dynamic** in the future. Other singles players for Neff are Ron Lucker, Blake Miller and Eric Ferguson. The other doubles players are Scott Scruggs Ron Johnson and George Barr.

GIRLS VARSITY TENNIS

Leading this year's Varsity Tennis team was the number one singles player, Linda Yniguez. Linda was undefeated and was seaded number one in the entire league. The number one doubles team was Gail Doman and Chris Curry. Over the season, they won 20 out of 29 sets.

Other members of the varsity squad were Lisa Padilla and Ilene Morgan in singles, who also did a good job in league. Mary Specht and Kim Finuf performed well in doubles play as did Melissa Vigil and Sharlene Woronet.

The team is still young and building and promises to have an excellent season next year. Most of the team will be returning so the girls will have experience in tough competition and should place well in league.

1. Linda Yniguez shows her good form and concentration.

J.V. TENNIS

This was the first year that Eric Bangs had the honor of coaching the boy's J.V. tennis team. Having a team with much **talent** he was able to switch his team around in order to compete successfully against other schools.

Another rookie at coaching was Cecilia Tafoya. She was in charge of the girl's J.V. squad and did a great job for her team. She feels that they will have an even better season next year because both players and coach will have more experience.

GOLF

Once again Neff's golf teams had a terrific season. The impressive Varsity team played a better game each match, making their coach, Lonnie McConnell, especially proud. Varsity was led by outstanding members Don Bowker, Brad Willer, and Bob Lizardi.

Coach McConnell's J.V. team also played a successful season of golf. They promise much future success for next year's team.

1. Greg Brannon tees off another winning match.
2. Dave Jones lines up a great swing.
3. Brad Willer concentrates on a successful putt.
4. Don Bowker finishes through a beautiful drive.

GIRLS SOFTBALL

With most of last year's team graduated, an entirely new team represented Neff in the Suburban League. Also new to Neff's softball program are Coaches Jan Blume and Cecelia Tafoya. Under the guidance of these two coaches, along with the great amount of potential this year's team has, the Trojans should be no **exception** to the line of excellent teams that have come from Neff's campus. Coach Blume commented that with aggressive baserunning and good defensive fielding, the Trojans should be a tough competitor for the league title.

REALTORS
If, your bent on a tent.
Or a cabin for Two –
Or perhaps you might want
an old fashioned Igloo –
a palatial estate with grounds
that are great!
Or a cottage fenced in with a
garden and gate –
Then, forget all the rest!
Red Carpets the best.

The 1977-78 Troiani represents the efforts of many people. I would like to take this opportunity to thank all the members on the staff: Linda, Robyn, Chris, Ginny, Chris, Linda, Janet, Karen, JoAnn, Heidi, Janine, John, Sharon, Lori, Martha, Val, John, Laurie, Melanie, and our photographers, Rick, Tim, Joel, Jim, Danny, and Kenny. Thanks especially to Kenny and Danny for those special favors, to Robyn for doing such a good job, to Kenny for helping me in everything, and to Heidi for helping me meet that last deadline. I also can't forget the teachers who were so cooperative in posing for us. A "special" thank you to Mr. Miller for giving me all those pages to proofread. One last request. Please don't give Linda all the work you gave me. I wouldn't wish that on anyone!

All joking aside, thanks for giving me the chance to be your assistant editor and editor. I really learned a lot from you and I thank you for making my last two years a lot more fun than they would have been, had you not given me a chance. Thanks again, Miller, and good luck next year.

Thanks again, annual staff, for putting up with me and meeting all your deadlines. Good luck also to next year's staff, especially Linda.

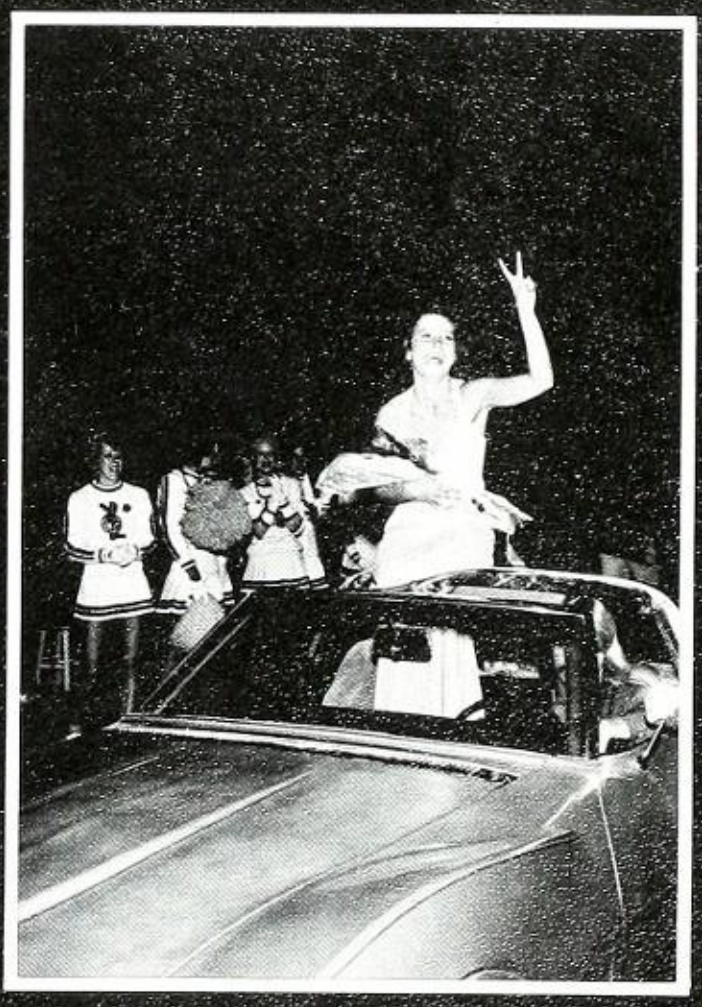
So much now lies ahead of us
The future times we'll spend
We'll still look back, but our school days
Have finally reached an end



Good times gone but not forgotten
We seldom wonder why
We'll miss it all, but now we know
It's time to say goodbye

Dearest David, Lamo, Retart, Goon, Freak, Ugly, ect,
Sue had a boss time stating for a losing team.
(Just kidding (You guys did really ok.) I'm glad
I got to know you, you are a real good
But seriously you a real neat guy. I hope next
year we can be in some more classes, ok
is it a deal. You are real good Pee Wee! Baseball
player. Maybe next year (if your lucky) I'll be your stat!
Have a bosso summer! Love Sandy
P.S. If your football thing breaks Arnoldsen
again, let me know. I really digged our pew fights!

Dave,

It's been a great year. We've had some great times in Ralph's class, Rassmussen's and especially Samuel's class. I'll never forget my Jewish postulate. It seems as though everytime I cracked a joke you were there to laugh at it. You have a great sense of humor, but a poor taste in baseball. (Reds.) See you around in the summer and na hã stay yourself.

Hasta luego,

Dave Brown

Dave,
To the cool dude who played the majority of the innings in center field. I still say that you should of come out for baseball in Colt league. We could've used a good left-fielder. Have a good Summer and see you next year.

DEAREST DAPE CHOMBERS,

YOU ARE THE CRAZIEST, INSANE GUY I KNOW, BUT YOUR STILL A GREAT FRIEND!! YOUR GONA REGRET ROOTING FOR THE REDS. THE DODGER ARE NUMBER #1. (I STILL LIKE THE BLUEJAYS AND MARINERS) YOU BETTER BUY A PAIR OF TWEASERS FOR THE SPLINTERS YOU GET FROM THE BENCH `CAUSE I'M GOING TO BE ALL-CIF BASKET BALL (NO KIDDIN). YOU WERE GREAT IN ALL MY CLASSES. CALL SO WE CAN GO TO THE BEACH IN MY "SOUPED-UP" VOLKSWAGEN. SEE YOU MUCH IN THE SUMMER.

FRIENDS FOREVER,

Hi Davey-Pooh!

So, how much did I bug you in Eco? Alot, huh!?!? Well, babe... Glad I got to know you cuz you're a real *Doll*! *love* ya alot, and don't you forget it! OK? Sometimes this summer, the gang (Danny, Sandy, You and I) should get together and do something Dumb!

Keep in Touch!

Dave,
It's been a real pleasure having you in class this past semester. You are a fine student - I can't say for sure if you'll pass the class or not, but I can say that you've been a pleasure to have in the classroom. I hope to see you in some of my classes again in the near future.
Until then, have a great summer.
Sincerely,
Mr. Miller
